## **Brief Encounters With The Enemy Fiction:**

*Brief Encounters with the Enemy* Saïd Sayrafiezadeh, 2013-08-13 The first short story collection from a writer who calls to mind such luminaries as Denis Johnson George Saunders and Nathan Englander FINALIST FOR THE PEN ROBERT W BINGHAM PRIZE NAMED ONE OF THE BEST BOOKS OF THE YEAR BY BOOKPAGE AND BOOKISH When The New Yorker published a short story by Sa d Sayrafiezadeh in 2010 it marked the emergence of a startling new voice in fiction In this astonishing book Sayrafiezadeh conjures up a nameless American city and its unmoored denizens a call center employee jealous of the attention lavished on a co worker newly returned from a foreign war a history teacher dealing with a classroom of maliciously indifferent students a grocery store janitor caught up in a romantic relationship with a kleptomaniac customer These men s struggles and fleeting triumphs with women with cruel bosses with the morning commute are transformed into storytelling that is both universally resonant and wonderfully strange Sometimes the effect is hilarious as when a would be suitor tries to take his sheltered religious date on a tunnel of love carnival ride Other times it s devastating as in the unforgettable story that gives the book its title A soldier on his last routine patrol on a deserted mountain path finally encounters the enemy he s long sought a glimpse of Upon giving the author the Whiting Writers Award for his memoir When Skateboards Will Be Free the judges hailed his writing as intelligent funny utterly unsmug and unpreening These fiercely original stories show their author employing his considerable gifts to offer a lens on our collective dreams and anxieties casting them in a revelatory new light Praise for *Brief Encounters with the Enemy* With impressive guile and design Mr Sayrafiezadeh uses the arrival and escalation of that war as the through line connecting each personal drama These calculated echoes work to unify his haunting book in a way that story collections rarely manage Sam Sacks The Wall Street Journal In his memoir Sayrafiezadeh told the remarkable tale of a childhood steeped in doomed dogma His stories offer something more a searing vision of his wayward homeland delivered not in the clamoring rhetoric of a revolutionary but in the droll monologues of young men who kill because they lack the moral imagination to do otherwise Steve Almond The New York Times Book Review Editors Choice Sayrafiezadeh s eight interlinked stories are just as fulfilling as any novel you re likely to read this summer The Boston Globe A tantalizing fiction debut that menaces and mesmerizes Elle The recurring motifs include 99 cent American flags putting in a word with the boss idealistic Army recruitment brochures and unseasonable temperatures Each time they recur they are more potent and poignant The collection is readable and real and hopefully a harbinger of more fiction to come from Sayrafiezadeh Minneapolis Star Tribune Funny and surprising Sayrafiezadeh s simple style can fool you into thinking that his struggling narrators are plain and unassuming They are anything but Each story compels you to read the next and no character escapes unscathed The Daily Beast [New American Stories](#) Ben Marcus, 2015-07-21 In *New American Stories* the beautiful the strange the melancholy and the sublime all comingle to show the vast range of the American short story In this remarkable anthology Ben Marcus has corralled a

vital and artistically singular crowd of contemporary fiction writers Collected here are practitioners of deep realism mind blowing experimentalism and every hybrid in between Luminaries and cult authors stand side by side with the most compelling new literary voices Nothing less than the American short story renaissance distilled down to its most relevant daring and unforgettable works New American Stories puts on wide display the true art of an American idiom **The Story and Its Writer, Compact** Ann Charters,2023-08-02 The Story and Its Writer includes 80 classic and contemporary short stories that help you become better at reading fiction and writing about it **Fictions of Integration** Naomi Lesley,2017-03-03 This book examines how children s and young adult literature addresses and interrogates the legacies of American school desegregation Such literature narrates not only the famous battles to implement desegregation in the South in places like Little Rock Arkansas but also more insidious and less visible legacies such as re segregation within schools through the mechanism of disability diagnosis Novelizations of children s experiences with school desegregation comment upon the politics of getting African American children access to white schools but more than this as school stories they also comment upon how structural racism operates in the classroom and mutates over the course of decades through the pedagogical practices depicted in literature for young readers Lesley combines approaches from critical race theory disability studies and educational philosophy in order to investigate how the educational market simultaneously constrains how racism in schools can be presented to young readers and also provides channels for radical critiques of pedagogy and visions of alternative systems The volume examines a range of titles from novels that directly engage the Brown v Board of Education decision such as Sharon Draper s Fire From the Rock and Dorothy Sterling s Mary Jane to novels that engage less obvious legacies of desegregation such as Cynthia Voigt s Dicey s Song Sharon Flake s Pinned Virginia Hamilton s The Planet of Junior Brown and Louis Sachar s Holes This book will be of interest to scholars of American studies children s literature and educational philosophy and history *Home, Identity, and Mobility in Contemporary Diasporic Fiction* Jopi Nyman,2009-01-01 This innovative volume discusses the significance of home and global mobility in contemporary diasporic fiction written in English Through analyses of central diasporic and migrant writers in the United Kingdom and the United States the timely volume exposes the importance of home and its reconstruction in diasporic literature in the era of globalization and increasing transnational mobility Through wide ranging case studies dealing with a variety of black British and ethnic American writers Home Identity and Mobility in Contemporary Diasporic Fiction shows how new identities and homes are constructed in the migrants new homelands The volume examines how diasporic novels inscribe hybridity and multiplicity in formerly uniform spaces and subvert traditional understandings of nation citizenship and history Particular emphasis is on the ways in which diasporic fictions appropriate and transform traditional literary genres such as the Bildungsroman and the picaresque to explore the questions of migration and transformation The authors discussed include Caryl Phillips Jamal Mahjoub Mike Phillips Hari Kunzru Kamila Shamsie Benjamin Zephaniah Abdulrazak Gurnah Cynthia
