**Directions:** Referring to the Act I script, respond to the following questions in a dated notebook entry as directed.

1. Offer an adjective that accurately describes Abigail Williams, and then offers a specific reference to the play (her words, behavior, or other characters' remarks about her) to support your description.

Adjective to Describe Abby	Specific Example from Act I that Demonstrates this Quality

2. According to Abigail, what is the cause of Betty's poor health? When the Uncle jumped out it scared and shocked her.

3. In your opinion, how trustworthy is Abigail's opinion? Explain your response by offering specifics from the text. She is not very trustworthy because she has wrong reasons to do what she does and she has been lying about the situation.

4. What is Rev. Parris' main concern as the villagers discuss the possibility of witchcraft being practiced in his village? His reputation is being hurt by this situation

5. Describe what happened in the woods before the play's start, offering specific details from the script. The villagers thought it was the devil's home.

6. A) Why does Parris believe his niece Abigail was dismissed from her employment in the Proctor household before the play's start? B) What evidence does he offer to support his suspicion? Abby said she refused to work anymore and also she had an affair with Proctor

7. Describe the current state of Betty Parris and Ruth Putnam, the two "afflicted" girls. Betty is not sick she is just a little scared girl and when Abigail was saying alone with Mr. Proctor she didn't want to hear
