

ARC RAIDERS ZONES

DAM BATTLEFIELDS

The Alcantara Power Plant, or "The Dam", once served as a crucial Raider stronghold during the bitter closing battles of the First Wave. Even now, these toxic, waterlogged lands remain a hotspot for ARC skirmishes.

ACERRA SPACEPORT

Acerra Spaceport is a majestic testament to humanity's past ambitions. This is where the Exodus shuttles, vessels of hope and desperation, once roared into the heavens, leaving a beleaguered Earth behind.

BURIED CITY

Amidst the sand dunes in this arid wasteland, Buried City is a remnant of the old world quite unlike the cold steel spires of the Exodus age. Walk these narrow streets and empty plazas, and know that people once lived here.

PRACTICE RANGE

Nestled in a secluded mountain hollow, the echoed gunshots from this practice range seem to confuse ARC's sense of direction, creating a rare pocket of open-air safety. Raiders use the Backyard to hone their skills and catch up on some long-overdue stargazing.
