

# Bear and Chook

By Lisa Shanahan, Illustrated by Emma Quay.

*'What do you want to be when you grow up?' Chook asked Bear. As Bear tries out a variety of occupations they all end up disastrously. So Bear decides he just wants to be an Old Bear when he grows up - that is, until tomorrow's adventures start!*

## Introducing the Book

Ask the children what they want to be when they grow up. Show the children the front cover of *Bear and Chook* by Lisa Shanahan and Emma Quay. What do you think this book is going to be about? What type of bear can you see on the cover? Where would you usually find this bear? Could a bear and a chook live in the same place?

Show the children the title page. Why do you think the illustrator has drawn Bear and Chook without their heads on this page? Do you think it is a good idea?

Read to the end of the first double page spread - *'... builder'*. What does a builder do? What does a builder wear? What tools does he/she use? Do you know the names of any famous builders? Could being a builder be dangerous? How? Record the children's responses under the heading 'builder'.

Read to *'By a wing,' shivered Chook*. Do you think Bear would make a good builder? Why not? Read to - *'I wouldn't mind being an explorer, though.'* What does an explorer do? What does an explorer wear? What tools does he/she use? Where does an explorer explore? Do you know the names of any famous explorers? Could being an explorer be dangerous? How? Record the children's responses.

Read to the end of *'By a tail feather,' shivered Chook*. Do you think Bear would make a good explorer? Why not? Read to *'I wouldn't mind being an sea captain, though.'* What does a sea captain do? What does a sea captain wear? What type of boat could a sea captain use? Where could a sea captain sail? Do you know the names of any famous sea captains? Could being a sea captain be dangerous? Record the children's responses. Do you think Bear will make a good sea captain? Why or why not? What do you think is going to happen next to Bear and Chook? What do you think Bear will choose to be next?
