**Chosen To Believe** Yvette Rodriguez,2024-01-17 A true testimony of how God miraculously showed up in her life breaking every demonic stronghold A story of how she was set free in a dire moment when it looked like no one would come and save her She calls out his name into the darkness and he comes to save her life How she was brought out of darkness into his wonderful light capturing her heart as he removes the veil allowing her to see glimpses of the heavenly realm Every dream and every vision he brought about her life only led her closer to the truth of who he is He shows his undeniable mercy love and salvation as he pursues her life which will bring her to complete surrender A long battle was won between good and evil in the spirit realm fighting for her soul Even with every struggle and the attacks on her life she takes a step of faith to write her story believing lives will be changed that you would come to know that you have been chosen to believe in the goodness and faithfulness of God in our lives that the same God who influenced her life wants to influence yours A story that will inspire your faith to know that there is God who is alive and ready to move upon your life

**To Believe Or Not Believe, That Is the Question** Thomas J. Gorman,2007-02 A former Boy Scout turned gang member Catholic altar boy turned agnostic Gorman reflects on his life and the search for answers about God which led him back to a life of Bible based faith *Practical Life*

**How to Believe** Jon Spayde,2008-02-12 After seeing Christianity become increasingly defined in the media as a narrow and punitive political movement Spayde began to wonder Are religions now just combatants in the culture wars Should he leave the organized church How are ordinary people using faith positively to search for the truth and improve their lives Spayde takes a journey across America that introduces him to an array of believers eminent and obscure who relate their personal stories of active and living faith how they balance Jesus s love and judgment the church s dictates and their own free will to live and love completely while on Earth Here are veteran religious leaders such as John Shelby

Spong a retired Episcopal bishop who advocates a radical reform of Christian teaching that would eliminate talk of miracles and stress social justice and Kosuke Koyana an important Protestant voice in Asia whose firsthand knowledge of World War II horrors made him see Christ's teachings as neither liberal nor conservative but simply care for the widow and the orphan Spayde meets those committed to unorthodox beliefs such as Joyce Rupp a Catholic sister dedicated to the concept of the feminine as divine as well as those who have for the sake of their faith drastically altered their lives including Cynthia Williams who left a high powered job in finance to work for a struggling inner city church in Minneapolis and Thien an Dang a Vietnamese refugee who became a top Radio Shack executive only to quit and work for a Texas ministry deeply connected to Vietnam We're also introduced to Mary Forsythe a self-described train wreck for Jesus who found the roots of her work as an evangelical preacher while serving time in prison and hospice chaplain Anna Bradshaw who was transformed by the aliveness of people near death and personally touched Spayde's life while tending to his dying mother Spayde's odyssey brought him to a new understanding of why action is more important than the intellect in faith how true solace is found in forging a personal relationship with God and why worrying about one's own worthiness is always beside the point This is a crucial book that reveals the different paths that can lead to the same inspiring place a book that teaches how to believe in ways that honor individuality allow for personal journeys and spiritually enrich not just our own lives but the lives of those around us Advance praise for How to Believe Jon Spayde has assembled a wonderfully vivid portrait gallery of Christian faith in our times It's a wild ride this mystery tour across the deep divides of contemporary religion into the lives of believers and seekers These are not arguments against atheism or in favor of belief but compelling voices of struggle and astonishment gathered by a writer of integrity on his own ardent search Patricia Hampl author of The Florist's Daughter Jon Spayde is a convivial and wise spiritual scout who guides us in the direction of a robust Christianity that is deeply grounded in love Along the way we meet remarkable figures from diverse religious traditions who inspire with their intelligence insight and faith This is the perfect book for all of us who yearn for a greater connection with the divine but still feel a little nervous walking through the church doors Jay Walljasper senior editor Ode magazine and former editorial director of Utne Reader

**We Want to Believe** Amy M. Donaldson, 2011-04-14 From the first episode to the latest feature film two main symbols provide the driving force for the iconic television series The X Files Fox Mulder's I Want to Believe poster and Dana Scully's cross necklace Mulder's poster may feature a flying saucer but the phrase I want to believe refers to more than simply the quest for the truth about aliens The search for extraterrestrial life the truth that is out there is a metaphor for the search for God The desire to believe in something greater than ourselves is part of human nature we want to believe Scully's cross represents this desire to believe as well as the internal struggle between faith and what we can see and prove The X Files depicts this struggle by posing questions and exploring possible answers both natural and supernatural Why would God let the innocent suffer Can God forgive even the most heinous criminal What if God is giving us signs to point the way to the

truth but we re not paying attention These are some of the questions raised by The X Files In the spirit of the show this book uses the symbols and images presented throughout the series to pose such questions and explore some of the answers particularly in the Christian tradition With a focus on key themes of the series faith hope love and truth along the way this book journeys from the desire to believe to the message of the cross Reason to Believe David Smilde,2007-07-02

Evangelical Protestantism has arguably become the fastest growing religion in South America if not the world For converts it emphasizes self discipline and provides a network of communal support which together have helped many overcome substance abuse avoid crime and violence and resolve relationship problems But can people simply decide to believe in a religion because of the benefits it reportedly delivers Based on extensive fieldwork among Pentecostal men in Caracas Venezuela this rich urban ethnography seeks an explanation for the explosion of Evangelical Protestantism unraveling the cultural and personal dynamics of Evangelical conversion to show how and why these men make the choice to convert and how they come to have faith in a new system of beliefs and practices The Works of the Right Reverend John England, First Bishop of Charleston John England,1849 *A Select Library of the Nicene and Post-Nicene Fathers of the Christian Church: St. Augustin: Homilies on the Gospel of John.
