## **Beginning Algebra Tobey 8th Edition:**

Beginning Algebra, Books a la Carte Edition John Tobey, Jr., Jeffrey L. Slater, Jenny Crawford, Jeffrey A. Hoffer, 2011-12-27  
This edition features the exact same content as the traditional book in a convenient three hole punched loose leaf version  
Books a la Carte also offer a great value this format costs significantly less than a new textbook The Tobey Slater Blair  
Crawford series builds essential skills one at a time by breaking the mathematics down into manageable pieces This practical  
building block organization makes it easy for students to understand each topic and gain confidence as they move through  
each section Students will find many opportunities to check and reinforce their understanding of concepts throughout the  
book With this revision the author team has added a new Math Coach feature that provides students with an office hour  
experience by helping them to avoid commonly made mistakes With Tobey Slater Blair Crawford students have a tutor a  
study companion and now a coach with them every step of the way This package contains Books a la Carte for Beginning

Slater are experienced developmental math authors and active classroom teachers They have carefully crafted their texts to  
support students in this course by staying with them every step of the way Tobey and Slater With you every step of the way  
This 6th edition of Beginning Algebra is appropriate for a 1 semester course in appropriate for a 1 semester course in  
Introductory Beginning or Elementary Algebra where a solid foundation in algebraic skills and reasoning is being built for  
those students who have little or no previous experience with the topic The ultimate goal of this text is to effectively prepare  
students to transition to Intermediate Algebra One of the hallmark characteristics of Beginning Algebra 6 that makes the  
text easy to learn from is the building block organization Each section is written to stand on its own and each homework set  
is completely self testing Beginning Algebra 6 is a worktext meaning the design is open and friendly with wide margins so  
you can encourage your students to take notes and work exercises right on the text page Also with worktexts images  
visuals are used more frequently to convey the math concept so there are fewer words and less text for the student to read A
