## **Science Research Paper Rubric:**

*Rubrics for Assessing Student Achievement in Science Grades K-12* Hays B. Lantz, 2004-02-06 I recommend *Rubrics for Assessing Student Achievement in Science Grades K-12* to any school district that is moving toward a standards based curriculum. It will serve as a valuable tool for assessing student learning. Grace Cisek, Director of Mathematics and Science Curriculum, Chester County Intermediate Unit, PA. At last, science educators will now be able to use custom made rubrics to assess and evaluate student performance in the standards based science classroom. Combining clarity, detail, utility, and practicality, veteran educator and author Hays B. Lantz Jr. offers the most complete collection of evaluation and assessment tools in science education available today. This concise handbook was designed to improve the quality and uniformity of evaluation as well as assessment of student progress. Written in language appropriate for both students and teachers in grades K-12, there are over 100 ready to use performance lists, holistic rubrics, and analytic rubrics that contain clear descriptions of the particular traits and qualities desired in student products and performances. Key features distinguishing this book include: Scoring tools for a wide range of products and performances found in effective science classrooms and programs; Assessment tools that differentiate by learning levels, providing a scaffolding of increasingly complex expectations across the grades; Years of extensive field testing of the evaluative criteria. *Rubrics for Assessing Student Achievement in Science Grades K-12* is a valuable resource that will help to measure what students know and are able to do in the science classroom. It will yield more consistent and defensible judgments, more precise feedback, and sharper student learning and performance.

[Teaching Writing With Rubrics](#) Laura A. Flynn, Ellen M. Flynn, 2004-03-29 What a gift! I used your book from the first day. Using your guidelines, I am now developing my own units and rubrics. Rebecca Kennerly, Student Resident Teacher Program, University of New Mexico. Take the guesswork out of writing instruction and assessment. The step by step instructions, scheduling guidelines, lesson plans, rubric assessments, and reproducible forms in this guide are the result of years of research, planning, and fine tuning in the classroom. Inspiring student creativity while addressing standards and meeting the needs of every student has never been so easy. Special features include: Step by step instructions on how to set up a classroom writing program; Eleven comprehensive classroom tested lesson plans; Methods for adapting rubrics for high school students, gifted students, English Language Learners, and students with learning disabilities; Strategies for evaluating every step of the writing process from pre writing to final draft; How to incorporate Six Trait Writing; Discover the excellent writing your students can produce when provided with a rubric and challenged to do their best. Once you have used the strategies and materials in this guide, you may wonder how you ever got along without them.
