Advanced Automotive Engine Performance Michael Klyde, CDX Automotive, 2020-04-17 Advanced Automotive Engine Performance is designed to prepare novice technicians for the challenge of diagnosing today's highly technical electronic engine controls. Using this curriculum, learners will gain familiarity with the operation and variations of emissions systems and associated onboard monitors. The curriculum especially focuses on applying diagnostic strategy to and performing service procedures for emissions systems faults. Learners will also develop an understanding of IM testing and an ability to interpret IM test reports to aid in diagnosis. This objective-based curriculum will prepare learners for the challenges of servicing engine management systems in the shop today. This is a complete curriculum solution for Advanced Automotive Engine Performance. Online courseware is available and is rich in video and animation to support understanding of complex systems. This solution is available in print plus digital or digital only offerings providing eBook and online course pairing with mobile-friendly adaptability. Complete tests, tasksheets, and instructor resources make this curriculum easy to adopt and integrate into any automotive program.

**DIE SMARTER**, 2026-03-10 DIE SMARTER The 300 Item Renaissance Bucket List for People Who Refuse to Be Boring Corpses. Most bucket lists focus on experiences. This one focuses on becoming DIE SMARTER. It presents a structured 300-item Renaissance blueprint designed for individuals committed to lifelong learning, intellectual growth, practical competence, and cultural literacy. Instead of one-time adventures, this guide emphasizes skill acquisition, critical thinking, creative development, and multidimensional self-education. Organized as a modern Renaissance curriculum, it challenges readers to expand across disciplines including literature, philosophy, science, history, economics, film, music, language, acquisition, survival skills, social intelligence, and practical life mastery. The result is not passive entertainment but measurable personal evolution. Inside, readers will explore canonical books that elevate intellectual depth, films and documentaries that sharpen critical thinking, essential life skills that build real-world competence, survival, household, and financial literacy foundations, creative and cultural pursuits that develop artistic range, musical instruments, and language pathways worth learning, structured weekend challenges for accelerated growth. This guide integrates principles of deliberate practice, cognitive development, interdisciplinary learning, and long-term personal mastery. It is designed for readers who value substance over distraction and depth over superficial achievement. Ideal for those interested in personal development, self-education, productivity, creative discipline, intellectual challenge, and Renaissance-style living, this book provides a framework for building a life defined by competence, curiosity, and contribution. The objective is not perfection; the objective is expansion.

Keywords: personal development, lifelong learning, self-improvement, intellectual growth, Renaissance lifestyle, skill acquisition, productivity, mindset, cultural literacy, practical life skills, cognitive development, creative discipline, self-education, modern Renaissance, competence building.
