Professor, with Love Linda Kage, Junior in college Star athlete Constant attention from the opposite sex On this campus I m worshiped While seven hundred miles away back in my hometown I m still trailer park trash child of the town tramp and older sibling to three kids who are counting on me to keep my shit together so I can take them away from the same crappy life I grew up in These two opposing sides of myself never mix until one person gets a glimpse of the true me I never expected to connect with anyone like this or want more beyond one night This may be the real deal Problem is Dr Kavanagh s my literature professor If I start anything with a teacher and we re caught together I might as well kiss my entire future

goodbye as well as my family's and especially Dr. Kavanagh's. Except sometimes love is worth risking everything. Or at least it damn well better be because I can only resist so much. N.G. International Press Correspondence, 1926 **The Athenaeum**, 1887 **Every Time My Heart Breaks** Linda Kage, 2022-12-28 How do you make yourself fall in love with someone? After his family friend Chloe Ryan is traumatized by a disturbed ex-boyfriend Luke Hamilton is encouraged to step up and be the kind of partner she needs. Problem is he's never been in love before. He's not one to give up though. His stubborn competitive nature mixed with the dutiful loyalty he inherited from his parents makes it impossible for him to say no. And romancing Chloe becomes priority number one. But his feisty contender gives him the challenge of a lifetime when she'd rather argue with him than accept a simple compliment. Chloe demands honest genuine feelings from someone before she'll even think about opening her heart again and since Luke refuses to back down from his determined quest he decides to grow some feelings. Except uh yeah. That's easier said than done since he has no idea how to even begin the process of falling. Chloe is a simple woman with simple wants. All she'd like is to work her job, find a partner to share her life with and then grow a family with him. But apparently that's just too much to ask for. After her ex kidnaps and terrorizes her, Chloe is suddenly put on six weeks of leave from her job to recover. She can't handle it when anyone touches her and her big dream of the simple life seems more impossible to reach than ever. Until Luke bulldozes his way into the picture determined to help her through her rough patch and promising her everything she's ever wanted. The problem is Chloe loved Luke way back when she was young and no one's ever broken her heart the way he did when he didn't even notice her in return. No way is she going to risk more heartbreak at his hands now. Chloe becomes just as determined to push him away as he is to stick by her side.
