Technological Change: E-commerce

Introduction

This resource is written with the intention that it could provide some structure to the open-ended nature of the AQA Research Task. This year the topic is **Technological Change: e-commerce**.

- Section 1 offers some background about e-commerce.
- Sections 2-6 deal directly with the focus outlined within the research brief. At the end of each section are suggested activities which could lead to independent research opportunities that could be used as a focus for future class discussions or activities.
- Section 7 is intended to be used as a guide to help students write the longer, more demanding essay-style questions.
- Finally, Section 8 is a set of three practice papers, with mark schemes.
