Legend

The red mark means that you can skip this step if you want

The 1st caution sign is there to inform you that you should get the Diamond Mask before the Belt Belt if you have a Diamond Mask

If you have a mask, get the Belt before the Diamond Mask

The 3rd caution mark is there to inform you that you should only get the honey mask if "you don't" want

The 4th caution sign is there to inform you that you should get the honey jar first "if you want"

The 5th caution sign is there to inform you that you should only get the jar after you have a mask if you want

Thanks to people for this text

WHY IS BELT BETTER TO BE FIRST?

well, here's how it is:

1. your main pollen collection in this stage comes from honey, pollen and food coming in close to you (if any)

Therefore, until your primary honey collection is up

2. with a cap from belt, filling you this is held more

you make sure from being in food than coming in close to you is "less" important

3. with your mask pollen is captured, you have pollen collection in honey, which makes the BEE choice as to why it's good

or you

A green circle means that you should skip get the item the same as something at the top of the page

sign stands for all items from 1-5
