Writing and Power Candace Mitchell, 2015-12-03 This book offers a much needed alternative to the more traditional texts used to teach writing instruction Grounded in history the book clarifies changing theoretical and practical approaches to teaching writing critically assessing each approach in relation to the social and political movements of the day both within and beyond the university The author takes us inside the real world of writing instruction not only from the viewpoint of instructor but as seen through the eyes of students struggling to make sense of the expectations of writing class Mitchell emphasizes that writing entails far more than putting words to paper and delves into contextually variable culturally defined expectations that include multiple linguistic forms both oral and written highlighting the complexity of writing s while engaging the reader in lively academic debates about language and society

Succeeding from the Margins of Canadian Society Francis Adu-Febiri, Everett Ofori, 2009-11-08 It is possible to overcome barriers to minority success in Canada The stance of this book is that new immigrants refugees and international students do not have to settle for underachievement despite the cultural and structural disadvantages they face in Canada The fact is the unequal social structure of Canada has some cracks and many minorities have used strategic resources to open up these cracks and achieved tremendous upward social mobility in Canadian society from the margins These documented minority successes in Canada in the face of systemic marginalization provide lessons and hope for new immigrants refugees and international students The economic political social and cultural problems that minorities encounter in Canadian institutions organizations communities and from individuals overwhelm and break many of them However some minorities break records in the face of the frustrations they encounter What accounts for the success of the latter group of immigrants refugees and international students in Canada Individual efforts and personal ambitions are not enough to explain these success stories This book highlights strategies and support systems that facilitate minority strategic connections with Canadian mainstream institutions organizations and individuals to win from the margins of society Although the book does not get into the theories of inequality equity and diversity it does acknowledge the structural and cultural barriers to minority success in Canada That

is it does not blame individual minorities for not making it in Canada Rather it points to strategic resources that new immigrants refugees and international students can use to help them overcome some of the barriers to success in Canada
