yourself so that you can adopt the beliefs and attitudes necessary to win when you stop making mistakes and avoid methods that don't work. You'll change your level of consciousness so that you can avoid trading out of fear and greed and move toward higher levels such as acceptance or joy. A leading trader offers unique learning strategies for turning yourself into a great trader. Goes beyond trading systems to help readers develop more effective trading psychology. Trains the reader to overcome self-sabotage that obstructs trading success. Presented through real transformations made by other traders. Advocating an unconventional approach to evaluating trading systems and beliefs. trading expert Van K. Tharp has produced a powerful manual every trader can use to make the best trades and optimize their success. **Forbes**, 2000 **Super Trader: Make Consistent Profits in Good and Bad Markets** Van K. Tharp, 2009-08-28 How do you transform yourself from mild-mannered investor to Super Trader? Think clearly. Plan accordingly. Commit completely. In other words, become a trader. And no one is better suited to help you make the transformation than legendary trading educator and author Van K. Tharp. Combining the sharp insight and technical brilliance that has drawn legions of investors to his books and seminars, Tharp provides a holistic approach for becoming a successful full-time trader. His system, a meld of investing psychology and sound trading practice, is the secret to achieving optimum conditions that produce results in both bull and bear markets. Using the lessons of Super Trader, you will approach trading as you would a small business: realistically, systematically, and enthusiastically. Drawing on his decades of experience, Tharp has created a simple plan designed to help anyone master the market. You can put this plan to use immediately in order to: Master the psychology of trading. Craft a business plan, a working document to guide your trading. Develop a trading system tailored for your personal needs and skills. Create position-sizing strategies to meet your objectives. Monitor yourself constantly to minimize mistakes. Throughout the book, Tharp asks the pertinent questions you must ask yourself about becoming a trader: being a trader and succeeding as a trader. The rewards that come with being a Super Trader, both financial and personal, make you feel as if you can leap small buildings in a single bound. Whatever your skill level, Tharp provides the formula for succeeding in a field where most people fail. *Eight Edges You Must Have* Van K. Tharp, 2013-04-16 Why do investors lose money, and how NOT to? Wall Street makes it easy to jump into the game of trading. After all, they love taking your money. Trading without proper preparation could be a windfall for your broker but fatal for your account. In this e-book, bestselling financial writer and trading expert Van K. Tharp shares eight essential rules that will help you NOT lose your shirt and even make a profit in the world of trading. In *Eight Edges You Must Have*, Your Written Trading Plan, Van K. Tharp explains that success in the markets takes the same amount of, perhaps even more, work, study, and commitment than any other profession requires. For those people who are committed to learn how to trade properly, who do the obligatory work, and possess the necessary talents, it is quite possible to make a lot of money in the market in the long run. To that end, he outlines the eight key reasons why people lose money in their trading and investing and shows how to avoid them. Lists the eight essential reasons people fail at trading from the fact that you're playing Wall
