

DEGREES OF READING POWER (Sample Test)

TO THE STUDENT:

This is a test to find out how well you read. Do your best to read the passages and answer the questions. Work carefully and do not rush. You will be given 1 hour to complete the test.

DIRECTIONS

This test contains passages for you to read. Words are missing from the passages. Whenever a word is missing, there is a blank line with a number on it. Next to the passage you will find the same number and five words. Choose the word that makes the best sense in the blank.

SAMPLES

S-1

It was sunny and hot for days. Then the _____ changed. It turned cloudy and cool.
a) price b) road c) job d) weather e) size

S-2

It isn't safe to go out today. There was too much _____ yesterday. Many streets are flooded with water.
a) rain b) food c) mail d) noise e) work

Look at the answer for Sample S-1. The word **weather** makes the best sense in the blank.

In Sample S-2 you should have marked the letter "a" because the word **rain** is the word that makes the best sense in the blank.

As you can see, you may not be sure of the answer to a question until you have read the sentences that come after the blank. So be sure to read enough to answer the questions.

Spend your time on what you can read rather than on what is too hard for you.

Sample Passages

Leather making is an ancient art, dating back thousands of years. Now, as then, the process of turning animal hides and skins into leather must begin soon after an animal dies. The skin or hide will rot unless action is taken promptly to prevent decay. There are several ways to _____1_____ the skins. They can be dried in the sun to protect them. Alternatively, they can be salted or smoked.

1. a) measure b) fold
c) obtain d) value
e) preserve

Such "curing" of the skins is only the first stage in making leather. The skins must also be cleaned, tanned, and finished. Each of these _____2_____ is important. Perhaps the most critical part of the process is tanning, which actually transforms the skins to leather.

2. a) grains b) steps
c) sources d) styles
e) colors
