2001 Applied Practice Frankenstein:

Posthumanism and the Digital University Lesley Gourlay, 2020-12-10 It is a commonplace in educational policy and theory to claim that digital technology has transformed the university the nature of learning and even the essence of what it means to be a scholar or a student However these claims have not always been based on strong research evidence What are students and scholars actually doing in the day to day life of the digital university This book examines in detail how the world of the digital interacts with texts artefacts devices and humans in the contemporary university setting Weaving together perspectives from a range of thinkers and disciplinary sources Lesley Gourlay draws on ideas from posthuman and new materialist theory in particular to open up our understanding about how digital knowledge practices operate She proposes that digital engagement in the university should not be regarded as virtual or disembodied but instead may be understood as a complex set of entanglements of the body texts and material artefacts making a case that agency and the ways in which knowledge emerges should be regarded as more than human

Happiness and the Good Life Mike W. Martin, 2012-03-01 What is happiness How is it related to morality and virtue Does living with illusion promote or diminish happiness Is it better to pursue happiness with a partner than alone Philosopher Mike W Martin addresses these and other questions as he connects the meaning of happiness with the philosophical notion of the good life

Unhappiness, Sadness and 'Depression' Tullio Giraldi, 2017-08-08 This book examines existing treatments legislation and research methodology of depression and exposes their limitations championing psycho social support as an alternative Depression affecting 350 million people according to the World Health Organisation is almost invariably diagnosed by the criteria of the American Psychiatric Association a definition which encompasses those with normal emotional responses to stressful life events Tullio Giraldi discusses recent developments in popular and academic dialogue related to the use of antidepressants and recent increases in depression diagnosis and laments the rise in prescribing antidepressants despite their links to suicide and unfulfilled promises of efficacy and safety He argues that psychotherapy is a cost effective treatment devoid of drugs adverse effects This work presents psycho social support as an alternative to antidepressants particularly for less severe cases and as a more effective strategy for coping with the emotional challenges of today's global reality Patients students of medicine and psychology and professionals of mental health will find this work valuable
