Though the Collection complete was an extraordinary literary phenomenon it proved to be a commercial disaster Competing editorial agendas tore apart the disciples and piracies of their edition damaged the enterprise Rousseau's widow and blood relatives claimed literary property rights inheritance Subsequently as the French Revolution unfolded established strategies behind the marketing of Rousseau shifted The flexible moral messages of autobiography yielded place to a static political one that of Rousseau as author of *Du contrat social* the *pre de la patrie* en embalmed corpse lying in state in the Panth on Forging Rousseau is a unique type of cultural analysis contextualising the commercial publishing history of Rousseau's works in the milieu of the late Enlightenment and Revolutionary period It is sensitive to major issues concerning book history today what constitutes an edition what constitutes a piracy and competing definitions of intellectual property icon construction and literary inheritance
