Blood Runs Cold:

Blood Runs Cold Kay Campbell, 2012-10 Dust covered everything It hadn't rained in a month and when people talked the first topic discussed was the heat and drought Under the shade tree in the backyard the little boy was contentedly filling his toy dump truck with sand He felt himself being lifted and smiled in anticipation of seeing his mom but it wasn't her When two year old Karl Bookman disappears from his own backyard in the small town of Snyder Mississippi everyone is mystified as to why someone would kidnap a child from a family that has no money or influence Sheriff Troy Landers and two investigators with the FBI beat the bushes in Mississippi and Tennessee relentlessly searching for the boy The trail stretches from a stately sugar plantation in Brazil to a mansion in Memphis Then the town is devastated to learn that the child's father whom they had known all of his life is involved Sheriff Landers still dealing with the death of his own wife and daughter from many years ago lets his heart as well as his mind get involved with the case As the case unfolds he is amazed at the heartless actions of the people involved in the kidnapping but when the full truth is finally revealed to the community their Blood Runs Cold

Blood Runs Cold (DS Max Craigie Scottish Crime Thrillers, Book 4) Neil Lancaster, 2023-04-13 This book is one hell of a ride Neil Lancaster's *Blood Runs Cold* is spellbinding NetGalley reviewer **Blood Runs Cold on the Black Side of the Mountain** Corinne F. Gerwe, 2013 Professional bear hunter and woodsman Bobby Burris was raised to hunt and poach on the famous Biltmore Estate lands and forest located adjacent to his family's homestead near Asheville North Carolina He was ruled by a tyrannical father who taught him to ignore the law and engaged him in an array of illegal activities from an early age at which time he witnessed a notorious still unsolved crime and murder He was forced to participate in other crimes and retaliations during his adolescence under his father's direction Rebellious against him Bobby became a young renegade and formed his own small criminal organization in Asheville that extended beyond the region with links to the Italian and Mexican mafias and drug trafficking routes from Los Angeles to Philadelphia His life from childhood into adulthood under a Machiavellian authority eventually led to his arrest and incarceration in a Federal prison where he by mere chance became a bodyguard for a mob boss of a major New York crime family His road to perdition was interrupted by a vision that

transformed him in the midst of this setting and began within him a process of rebelling once more against a life of crime that he d been forced into since childhood The story takes place against a backdrop of mountain wilderness and people with a long history of isolation independence and rebellion against authority From a family of moonshine bootleggers a legacy of crime developed from father to son that began with illegal poaching on the vast acreage of the magnificent Biltmore Estate and its forestlands hunting parties with politically connected cronies from Asheville s old boynetwork a series of hidden crimes cruelties and cover ups that led to the monstrous formation of a young man with the brutalized heart of a stone cold killer This story inflects the true crime genre with a psychological perspective revealing unsolved mysteries secret societies bold adventure set within regional history and family drama with a focus on the father son relationship involving murder sin and redemption Bobby s journey from the black side of the mountain through a wilderness of transforming enlightenment is an exciting intriguing and inspiring story of physical and psychological survival The book glows with a loving appreciation for the good that lies deep within some of the most hardened hearts just as the setting deep in the Appalachian Mountains is shown bursting with images of spectacular beauty and the rich bounty of nature even while danger may lurk at every turn
