Back-to-Back Drawing Communication Exercise

Instructions

1. Pair off group members, and instruct them to sit back-to-back.
2. Give one member (the "listener") a blank piece of paper and a pencil, and the other member (the "speaker") a geometrical image from pages 2 - 4.
3. Ask the speaker to describe the geometrical image in detail. The listener will attempt to recreate the image on their blank piece of paper, based upon the instructions. Neither member can see the others' paper, and the listener may not communicate with the speaker. Allow 5 - 10 minutes for this portion of the exercise.

Discussion Questions

Speaker

What steps did you take to make sure your instructions would be clear? How can these steps be translated to real-life conversations?

What was it like not having feedback from the listener during the exercise?

What we mean to say, and how it's interpreted, are often not the same. What can you do while speaking to reduce the risk of miscommunication in real-life conversations?

Listener

What did you like about the speaker's instructions?

Did you feel that any of the speaker's instructions were ambiguous, or difficult to follow?

How do you think your results would've been different if you had been able to communicate with the speaker?

Hunsaker,2003 Artist and screen writer Brian Godawa used to revel in his ability to argue the truth of the gospel often crushing his opponents in the process In time however he began to realize that winning an argument about the logic of Christianity did not equal persuading people to follow Jesus What was missing Through prayer and searching the Scriptures Godawa realized that while God cares deeply for rationality propositional truths were not the only or even the primary tools he used to reach people with his Truth In fact Godawa discovered that story metaphor and imagery were central to God s communication style because they could go places reason could never go into the heart In his refreshing and challenging book Godawa helps you break free from the spiritual suffocation of heady faith Without negating the importance of reason and doctrine Godawa challenges you to move from understanding the Bible literally to literarily by exploring the poetry parables and metaphors found in God s Word Weaving historical insight pop culture and personal narrative throughout Godawa reveals the importance God places on imagination and creativity in the Scriptures and provides a biblical foundation for Christians to pursue image beauty wonder and mystery in their faith For any Christian who wants to learn how to communicate and defend the Gospel in a postmodern context this book will help you find a path between the two extremes of intellectualized faith and anti intellectual faith by recovering a biblical balance between intellect and imagination
