

I Can'T Live Without You.....

**From the moment I met you I feel like I can't live without you
my heart has realized that I can't live without you.**

**this distance between us is torture, take me in your arms my love
let me become part of your heartbeat, let me cross all limits
my loneliness tells me that I can't live without you.**

**there are no more wishes left in life now that you have come in to it
every longing in my heart feels that I can't live without you
I'll join body and soul with you like fragrance is immersed in flower
by touching your senses, forgetting everything and becoming one**

**with you. let these moments stop right here, let me shatter to
pieces**

let me become part of your heartbeat

let me cross all limits

I'm believing that.....

I can'y live without you

I can't live without you

I can't live without you.

If You Can't Live Without Me, Why Aren't You Dead Yet?! Cynthia Heimel,2002-10-09 Heimel has been described by the Chicago Tribune as perhaps our funniest war correspondent on the war between the sexes Her new book shows Heimel at her wicked best Like a hip Erma Bombeck or a Dorothy Parker for today she is an antidote to an absurd world for smart sane women Awaken & Heal Sibonelo Mbhele, Awaken and Heal is a confrontation of the often overlooked truths and realities of being human It addresses the various human attachment styles how they develop and how they affect our relationships with other human beings It is a glimpse into both the light and dark side of being human It is an embrace of all that is as that which is meant to be balancing the above with the below the good with the bad and an appreciation of endings without resentment It is an insightful look into what it means to be human that reconnects one to the true essence of their humanness Catalog of Copyright Entries Library of Congress.
