

CFDs are complex instruments. You can lose your money rapidly due to leverage. Please ensure you understand how this product works and whether you can afford to take the high risk of losing money.

Hammer

The hammer candlestick pattern is formed of a short body with a long lower wick, and is found at the bottom of a downward trend.

A hammer shows that although there were selling pressures during the day, ultimately a strong buying pressure drove the price back up. The colour of the body can vary, but green hammers indicate a stronger bull market than red hammers.
