thanks to an early embrace of digital technology and irreverent marketing But Ameritrade also faced a series of near disasters the SEC almost shut him down his partners tried to force him out because of his relentless risk taking penny brokers swindled the company the crash of 1989 nearly cost him everything and he was almost shut down again when a customer committed massive fraud By the time of the dot com bust he had proven that his strategy based on frontier values could survive just about anything The Harder You Work The Luckier You Get offers a view inside Joe Ricketts mind giving readers a visceral understanding of how entrepreneurs think and act differently from the rest of us how they see the horizon where we just see a spreadsheet As unvarnished as the prairie he comes from Ricketts also talks honestly about his shortcomings as a manager the career sacrifices his wife made for his business the complexity of being a father and the pain of splitting with his mentor and of his brother s death from AIDS Overcoming these and other challenges he built a company now worth 30 billion A must read for anyone who s ever dreamed of starting their own business The Harder You Work The Luckier You Get is the ultimate only in America story [Quicken 2009 The Official Guide](#) Maria Langer,2008-10-09 The Only Official Guide to the 1 Personal Finance Software Now you can manage your finances and assets with ease Quicken 2009 The Official Guide is filled with insider tips and expert techniques for tracking your income expenses savings transactions investments and much more Fully endorsed by Intuit makers of Quicken this official guide helps you save time and money by showing you how to maximize all of the software s powerful capabilities including new features and little known tools You ll also get valuable guidance along with information about online resources to assist you in making smart financial decisions and planning for a secure future Customize Quicken for your preferences Track your cash flow Set up Online Account Services Automate transactions and tasks Reconcile checking savings and credit card accounts Track investments and optimize your portfolio Monitor assets and loans Manage household records Reduce debt save money and plan for retirement Simplify tax preparation and maximize deductions Get help and guidance from the new Sidebar feature **U.S. News & World Report** ,2005 **Fortune** Henry Robinson Luce,2006-12 [Official Gazette of the United States Patent and Trademark Office](#) ,2006 *Kiplinger's Personal Finance* ,2009 **The Economist** ,2009 **Time** Briton Hadden, Henry R.
