

## Key Points – Chapters 15, 16, & 17

- Three cranial nerves that stimulates the extra ocular muscles.
  - During ocular exam, movement of extraocular muscles: is stimulated by III, IV, VI
- Stimulation of the sympathetic branch of the autonomic nervous system dilates the pupil and elevates the eyelid. Parasympathetic nervous system stimulation causes the pupil to constrict.
  - When examining a pt eyes, sympathetic branch: elevates the eyelids and dilates the pupils
- Eye movements may be poorly coordinated at birth, but by 3 to 4 months of age, the infant should establish binocularity and should be able to fixate simultaneously on a single image with both eyes.
  - A mother asks when her newborn eyesight will be developed: approximately 3 months
- A normal response for the diagnostic positions test is parallel tracking of the object with both eyes. Eye movement that is not parallel indicates a weakness of an extraocular muscle or dysfunction of the CN that innervates it.
  - The nurse is performing the diagnostic positions test, normal findings: parallel movement of both eyes
- Pupils are small in the older adult, and the pupillary light reflex may be slowed, but pupillary constriction should be symmetric.
  - The nurse performing an eye assessment on an 80 y/o pt, which is abnormal: unequal pupillary constriction in response to light
- The muscle fibers of the iris contract the pupil in bright light and accommodate for near vision, which also results in pupil constriction.
  - The nurse testing a patient's visual accommodation: pupillary constriction when looking at a near object
- The palpebral fissure is the elliptical open space between the eyelids, and, when closed, the lid margins approximate completely. This does not result in problems with tearing nor indicate problems with increase intraocular pressure or extraocular muscles.
  - When examining the eye, the nurse notices that the pt eyelid margins approximate completely, this finding: is expected
- A simple increase in amplitude may not enable the person to understand spoken words. Sensorineural hearing loss may be caused by presbycusis, which is a gradual nerve degeneration that occurs with aging and by ototoxic drugs, which affect the hair cells in the cochlea.
  - A pt has been shown to have sensorineural hearing loss, during assessment: ask pt what medications he is currently taking
- Asians and American Indians are more likely to have dry cerumen, which appears white and flaky, whereas blacks and whites usually have wet cerumen that appears honey-brown. Dry, flaky cerumen in an Asian patient is not a result of poor hygiene, lesions from eczema, or change in cilia.
  - During assessment of 20 y/o Asian pt, dry flaky cerumen: is a normal finding, no further follow up necessary

### **Counter Points Chapters 17 Introduction**

In the digital age, access to information has become easier than ever before. The ability to download Counter Points Chapters 17 has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download Counter Points Chapters 17 has opened up a world of possibilities. Downloading Counter Points Chapters 17 provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading Counter Points Chapters 17 has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download Counter Points Chapters 17. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading Counter Points Chapters 17. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading Counter Points Chapters 17, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download Counter Points

Chapters 17 has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.
