

**Grade 10 History**  
**Chapter 30 Section 1**

These are notes I made for the History quiz. I can't guarantee this contains 100% of all content but I hope it covers most important points. I got information from:

- ✓ Textbook
- ✓ PowerPoint presentation
- ✓ Class notes

**Note:** Since these notes contain information from the book, there are many details. If you only want to study the main ideas, you can read the PowerPoint, but the teacher said it won't be enough.

## **Sec 1** Revolutions in Russia

### **Setting the stage**

- Many factors led to the Russian Revolution over a long time.
- The Revolution happened in 1917, but for almost a century the harsh rule of the czars had caused social unrest.
- Many groups revolted in the 1800s.
- Russia was heading towards a full-scale revolution.

## **Czars Resist Change**

### **Alexander III**

- In 1881, Czar **Alexander III** ruled Russia after his father, **Alexander II**.
- He stopped all reforms in Russia.
- Like his grandfather Nicholas I, Alexander III stuck to the ideas of **autocracy**, a form of government where the czar had **total power**, just like absolute monarchy.
- Anyone who questioned the czar's absolute authority, worshipped outside the Roman Orthodox Church, or spoke a language other than Russian was considered dangerous.

### **Harsh rule**

- To wipe out revolutionaries, Alexander III used harsh measures.
- He put **strict censorship** on documents, including private letters.
- His secret police watched schools and universities. Teachers had to send reports on every student.
- Prisoners were sent to **Siberia**, a cold and empty region in eastern Russia.
