(Chapter – 6) (Attitude and Social Cognition) (Important Questions)

(Class – XII)

Question 7:

Explain the concept of prejudice.

Answer 7:

Prejudices are negative attitudes towards a selected group and are supported stereotypes (the cognitive component). The cognitive component of prejudice is in the midst of dislike or hatred (the affective component). Prejudice gets translated into discrimination (the behavioural component) whereby people behave in less positive way towards a specific target group compared to a different group which they favour. In our society there has been cases of discrimination thanks to prejudice supported gender, religion, community, caste, physical handicap and illness like AIDS.

Question 8:

What's halo effect?

Answer 8:

During formation of impression, we've got a bent to think that a target one that has one set of positive qualities must produce other positive qualities. This can be called halo effect. For example, if we are told that someone is 'tidy' and 'punctual', we are likely to think that the person must even be 'hardworking'.

Question 9:

Explain social cognition with the assistance of examples.

Answer 9:

Social cognition refers to all or any those psychological processes that cope with the gathering and processing of data associated with social objects. For example, a teacher's conclusions regarding a student's behavior at school are quite different from his mother's conclusion who observes him reception.

Question 10:

What's schema?

Answer 10:

Schemas that function within the type of categories are called prototypes. They're the complete set of features or qualities that help us to define an object clearly.

Question 11:

Elaborate the ABC component of attitude.

Answer 11:

The emotional component of an attitude is that the affective aspect, the behavioural component is that the tendency to act while the cognitive component is that the thought component of an attitude. For instance, the cognitive component of prejudice, i.e., stereotype is in the middle of dislike or hatred, the affective component which can get translated into discrimination, the behavioural component.

Question 12:

What are the characteristics of pro-social behaviour?

Answer 12:

The characteristics of pro-social behavior are

- > Aim to learn or benefit to others without expecting anything reciprocally.
- > Helping others without expecting anything reciprocally.
- > To willingly benefit others with none quite pressure.
- > Provide help with none difficulty or any cost.

Chapter 6 Psychology Questions

RD Boyd

Chapter 6 Psychology Questions:

The book delves into Chapter 6 Psychology Questions. Chapter 6 Psychology Questions is a crucial topic that needs to be grasped by everyone, ranging from students and scholars to the general public. This book will furnish comprehensive and in-depth insights into Chapter 6 Psychology Questions, encompassing both the fundamentals and more intricate discussions.

1. The book is structured into several chapters, namely:
 - Chapter 1: Introduction to Chapter 6 Psychology Questions
 - Chapter 2: Essential Elements of Chapter 6 Psychology Questions
 - Chapter 3: Chapter 6 Psychology Questions in Everyday Life
 - Chapter 4: Chapter 6 Psychology Questions in Specific Contexts
 - Chapter 5: Conclusion
2. In chapter 1, the author will provide an overview of Chapter 6 Psychology Questions. The first chapter will explore what Chapter 6 Psychology Questions is, why Chapter 6 Psychology Questions is vital, and how to effectively learn about Chapter 6 Psychology Questions.
3. In chapter 2, this book will delve into the foundational concepts of Chapter 6 Psychology Questions. The second chapter will elucidate the essential principles that need to be understood to grasp Chapter 6 Psychology Questions in its entirety.
4. In chapter 3, the author will examine the practical applications of Chapter 6 Psychology Questions in daily life. This chapter will showcase real-world examples of how Chapter 6 Psychology Questions can be effectively utilized in everyday scenarios.
5. In chapter 4, this book will scrutinize the relevance of Chapter 6 Psychology Questions in specific contexts. The fourth chapter will explore how Chapter 6 Psychology Questions is applied in specialized fields, such as education, business, and technology.
6. In chapter 5, this book will draw a conclusion about Chapter 6 Psychology Questions. The final chapter will summarize the key points that have been discussed throughout the book.

This book is crafted in an easy-to-understand language and is complemented by engaging illustrations. It is highly recommended for anyone seeking to gain a comprehensive understanding of Chapter 6 Psychology Questions.

 - Interactive and Gamified eBooks

Chapter 6 Psychology Questions Introduction

In today's digital age, the availability of Chapter 6 Psychology Questions books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of Chapter 6 Psychology Questions books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of Chapter 6 Psychology Questions books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to

purchase several of them for educational or professional purposes. By accessing Chapter 6 Psychology Questions versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, Chapter 6 Psychology Questions books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing Chapter 6 Psychology Questions books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for Chapter 6 Psychology Questions books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, Chapter 6 Psychology Questions books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of Chapter 6 Psychology Questions books and manuals for download and embark on your journey of knowledge?

FAQs About Chapter 6 Psychology Questions Books

1. Where can I buy Chapter 6 Psychology Questions books? Bookstores: Physical bookstores like Barnes & Noble, Waterstones, and independent local stores. Online Retailers: Amazon, Book Depository, and various online bookstores offer a wide range of books in physical and digital formats.
