47% of Americans - have less than \$1,000 saved for an emergency

money limitations - You'll have less freedom with your money if you are paying old debts

Emergency fund - Once you have a \$500 emergency fund, you should save the money until you have an emergency. You should rely on this money so you do not have to go into debt during an emergency. Is it unexpected necessary, and urgent?

large purchases - The first step you should take when you want to make a large purchase is decided the time and amount you need to save.

To start investing - The best way to build wealth is to start investing early. You should start investing money once you are out of college, living debt free, and have 3-6 month worth of living expenses saved

Saving account - Account on which interest is paid on funds deposited by the account holder because the bank pays you to use your money

Not if... - but when an emergency happens

If you really want to save money, you've got to ... - live on less than you make

Saving account/money market account - The only place you should keep your emergency fund money is a saving account/money market account.

Buy a car for cash - If people saved the equivalent of a car payment each month for a year or two (instead of spending it on payments and interest), they could have enough money to buy a car with cash for much cheaper!

Investing and Time - The two habits that are the most important for building wealth and becoming a millionaire.

Rate of return - The interest rate on a savings account determines your rate of return.

debt - Debt is a tool to keep you from becoming wealthy.
