

Step 1: isolate the tied person's foot. It's easiest to do if they're flat on their back.

Step 2: fold your rope evenly in two, keeping the light between your thumb and forefinger

Step 3: wrap several times around the foot.

Step 4: tie an over-hand knot through all coils, as shown

Step 5: lift up —

— and double knot

Step 6: pull the foot all the way back, to the tied person's butt

Like so

Step 7: wrap the rope over the thigh & calf, passing it under the original rope on the outside

Step 8: hook the rope down, returning to loop around thigh & calf in the opposite direction

Step 9: now pass that rope under the second loop (at the shin) that you've created

Step 10: reverse again, this time going over the thigh.

Step 11: continue until you reach just below the knee

Step 12: Tie off with an over-hand knot

Extra rope can be tucked in, or used for decoration

America: The Farewell Tour Chris Hedges,2019-08-27 Chris Hedges s profound and unsettling examination of America in crisis is an exceedingly provocative book certain to arouse controversy but offering a point of view that needs to be heard Booklist about how bitter hopelessness and malaise have resulted in a culture of sadism and hate America says Pulitzer Prize winning reporter Chris Hedges is convulsed by an array of pathologies that have arisen out of profound hopelessness a bitter despair and a civil society that has ceased to function The opioid crisis the retreat into gambling to cope with economic distress the pornification of culture the rise of magical thinking the celebration of sadism hate and plagues of suicides are the physical manifestations of a society that is being ravaged by corporate pillage and a failed democracy As our society unravels we also face global upheaval caused by catastrophic climate change All these ills presage a frightening reconfiguration of the nation and the planet Donald Trump rode this disenchantment to power In his forceful and direct Publishers Weekly America The Farewell Tour Hedges argues that neither political party now captured by corporate power addresses the systemic problem Until our corporate coup d tat is reversed these diseases will grow and ravage the country With sharply observed detail Hedges writes a requiem for the American dream Kirkus Reviews and seeks to jolt us out of our complacency while there is still time
