one fraught with heart wrenching depths into dementia loss prison and despair all for the sole purpose of restoring his and Sarah's relationship and life together as a family He was a father first and that was the only success he sought He did not care how long it took or the depths to which he had to sink to get there He was determined to restore his daughter's affections even though she was oblivious to her father's good deeds They lived a lifetime apart with Sarah not knowing or caring how much she meant to Thomas and how much her absence from his life had devastated him **One Family's**
