

Introduction to *Daily Paragraph Editing*

Why *Daily Paragraph Editing*?

Daily Paragraph Editing is designed to help students master and retain grade-level skills in language mechanics and expression through focused, daily practice. Instead of practicing skills in a series of random, decontextualized exercises, *Daily Paragraph Editing* embeds language skills in paragraphs that represent the types of text that students encounter in their daily reading and writing activities across the curriculum. A weekly writing activity allows students to apply the skills they have been practicing throughout the week in their own short compositions.

What's in *Daily Paragraph Editing*?

Daily Paragraph Editing contains lessons for 36 weeks, with a separate lesson for each day.

Each week's lessons for Monday through Thursday consist of individual reproducible paragraphs that contain errors in the following skills:

- capitalization
- punctuation
- spelling
- language usage, and more

Student's daily lesson pages for Monday through Thursday include:

- a label indicating the type of writing modeled in the weekly lesson

- a paragraph with errors for students to correct; along with the other 3 paragraphs for the week, this forms a complete composition

- daily and weekly lesson identifiers

The image shows a sample student lesson page. At the top, it says 'REPRODUCIBLE EDUCATION Materials Publishing Co.' and 'Daily Paragraph Editing'. Below that, there is a title 'Marco Polo's Tales' and a paragraph of text: 'marco polo our neighbor returned last week from asia. the 1295, and marco has been away for 24 years. He is telling everyone stories about gold silver and riches but my parents neighbors and friends dont believe him. How can there be a palace with a dining hall big enough to seat 6,000 people? my Mother asked me. she said i think marco is just telling crazy imaginative tales about a man he calls Kublai Khan'. To the right of the text is a 'Watch For' logo (an eye) and a list of skills: '• names of people', '• names of places', and '• verbs'. Below the text is a drawing of Marco Polo. At the bottom, it says 'MONDAY' and 'WEEK 24'.

- as needed, the "Watch For" logo alerts students to more challenging skills to address in the paragraph
