*Con Game* Lionel S. Lewis, 2011-12-31 Bernard Madoff s financial fraud was global an enormous amount of money was involved and thousands of people and hundreds of institutions were swindled Madoff s con game was a Ponzi scheme an investment that pays returns to early investors from money acquired from subsequent investors This case study of the Madoff scheme looks at the effects of his crimes on the victims Elements from a theoretical framework put forward by Erving Goffman provide a perspective for understanding the development and the aftermath of Madoff s con For example as Goffman would have put it Madoff s marks were not cooled

out Many did not accept the fact that they were victims of a con game and publicly clamored for sympathy restitution and for public officials to share their perspective Inside men ropers outside men and victims are at the core of con games Lionel S Lewis emphasizes that it is important to understand a con game s characteristics so as to grasp how it operates The Madoff fraud includes elements of a variety of con games For a comprehensive study of this economic crime the case study must be seen as part of the broader social system Considerably more is known about the dynamics of con games than about Ponzi schemes and this fact frames this book s approach To better understand what Madoff did who was central in keeping his scheme alive whom he defrauded and how they reacted this work is as invaluable as it is illuminating International Journal of Comparative and Applied Criminal Justice ,2014 *Report of Investigation of Failure of the SEC to Uncover Bernard Madoff's Ponzi Scheme* H. David Kotz,2010-06 This investigation did not find evidence that any SEC personnel who worked on an SEC exam of Madoff Invest Securities LLC had any financial or other inappropriate connection with Bernard Madoff or the Madoff family that influenced the conduct of their exam work It also did not find that former SEC Assist Dir Eric Swanson s romantic relationship with Bernard Madoff s niece influenced the conduct of the SEC exam of Madoff The investigation did find however that the SEC received more than ample info in the form of detailed and substantive complaints over the years to warrant a thorough and comprehensive exam of Bernard Madoff and BMIS for operating a Ponzi scheme A thorough and competent exam was never performed Illus Madoff Talks: Uncovering the Untold Story Behind the Most Notorious Ponzi Scheme in History Jim Campbell,2021-04-27 The authoritative source on one of history s most notorious Ponzi schemes Fortune The definitive in depth account of the spectacular rise and fall of Bernie Madoff and the greatest Ponzi scheme of all time featuring new exclusive never before published details from Madoff himself No name is more synonymous with the evils of Wall Street than Bernie Madoff Arrested for fraud in 2008 during the depths of the global financial crisis the 70 year old market maker investment advisor and former chairman of the NASDAQ had orchestrated the largest Ponzi scheme in world history fleecing thousands of investors across the globe to the tune of 65 billion To this day questions remain Why did he do it How did he get away with it for so long What did his family know Who is the elusive Bernie Madoff In Madoff Talks author Jim Campbell presents the most comprehensive insider account of the Madoff saga to date Based on exclusive interviews with all the players the Madoff family and their associates the Wall Street wheelers and dealers the army of lawyers analysts and investigators the victims of the scheme and Bernie Madoff himself the book reveals what motivated a respected financier to commit such a massive fraud and why he thought he could get away with it how Madoff managed to keep the scheme hidden in plain sight despite numerous SEC investigations the shocking failures of Wall Street oversight and how it could happen again the true scale of the investment losses and the victims ongoing fight for justice what Ruth Madoff and the rest of the family knew and how it shattered their lives Madoff Talks features the first and likely only interviews with Ruth Madoff and defense attorney Ira Sorkin for which Bernie waived attorney client privilege as

well as never before published details from the author's personal communications with Bernie Madoff in prison. A vivid powerful piece of investigative reporting, the book takes us behind the headlines to show the full human cost of Madoff's crimes and offers a cogent analysis of the reforms necessary to prevent it from happening again. Meticulously researched and relentlessly riveting, *Madoff Talks* is the full story of an American tragedy. **CFO.**, 2010 **ERISA Basics** American Bar Association. National Institute, 2009 Madoff Peter J. Sander, 2009 The stranger than fiction story of how one well respected money manager built a business empire over decades by means of a classic Ponzi scheme, this is a fraudulent investment strategy which pays returns to early investors with money put in later by subsequent investors. When in late 2008 Bernard Madoff revealed the scam to his devoted investors, to his trusting colleagues, to his sons, and to the world, he admitted he had bilked wealthy individuals, charities, hedge funds, mutual funds, synagogues, colleges, and other institutions out of 50 billion. To date, this is the largest theft ever to take place on Wall Street. This revealing account shows Madoff's climb to success and explains the inner workings of his scheme as well as its incredible aftermath. This is an instant book about the greatest theft and biggest scandal ever to hit Wall Street. It provides the inside scoop on how one powerful man stole so much money from so many sophisticated investors, ruining many. This will be the first book on the subject to hit the marketplace.
