The Castle We Called Home Simone Brenneman,2011-06-22 The Castle We Called Home will draw you in from the very first word until the last It is simply a captivating story By the age of three it was obvious that someone needed to be with Hayden almost constantly and with focus It wasnt only because of his aggression or his lacking sense of danger It was as much because he would otherwise wander aimlessly looking for trouble putting objects of any type in his mouth or destroying things Or even worse he would park himself in front of the TV and slip into Nowhereland It tormented me Why couldnt I get more deeply into his head It was like standing in a corridor a door ahead locked and bolted shut and me hopelessly and frantically fumbling with a mess of keys none of them fitting Was it that I genuinely didnt possess the right key Or was it that I wasnt able to give myself the presence of mind to recognize the right key and then guide it into the lock Or was the problem that there really just wasnt a key anywhere that would fit It truly tormented me because we were falling apart at the seams I had found the key with Genevieve Id only had to think her and feel her and reach down from within With her it was all about getting into her head and her body and her world and then letting her feel safe and accepted enough to let me enter From there it was a matter of using tools that fit for her like Fantasy But with Hayden I didnt feel that I had that edge I couldnt help feeling that I had let Hayden down Why couldnt I do the same for him that I had done for her For more information about this book and others by Simone as well as TV and radio appearances and her blog please visit autismembrace.com or effervescentclarity.com As seen on Global TV Vancouver Montreal CTV Calgary Edmonton Citytv Breakfast Television Vancouver Calgary CHCH All News CTS Always Good News Burlington and more Simone is wonderful a must see Connie smith CTS

Resources in Education ,1998 [Current Index to Journals in Education](#) ,1998-04 *EBOOK: Play and Playwork: 101 Stories of Children Playing* Fraser Brown,2014-10-16 Children like to play They get all sorts of benefits from playing They get the most benefit from play when they are in control of what they are doing Yet there are lots of circumstances today that mean children are not able to control their own play and that s where playwork comes in where the role of the playworker is to create environments that enable children to take control of their playing This book aims to explore the similarities differences and tensions that exist between play and playwork including appropriate definitions and the conflict around the role of the adult Fraser Brown proposes a play to playwork continuum where playing can be considered a developmental and evolutionary activity and playwork a compensatory activity Helpfully structured around the aspects considered by the author as most important for playwork this book uses 101 fascinating stories of children playing to illuminate a range of play and playwork theories The rich array of powerful stories drawn from the casebooks of eminent and experienced playworkers speak for themselves whilst at the same time triggering theoretical explorations that are interwoven with the stories in each chapter Mesmerizing absorbing and original this is essential reading for playwork students and practitioners as well as for students and practitioners of early years childhood children s health and wellbeing and children s social care

Sporting Rhetoric Barry Brummett,2009 Millions of people around the world are engaged in sports and games This volume studies the ways in which engagement is

performed in popular culture We do not just watch football we perform by being a fan NBA players do not simply run up and down the court Instead on and off the court they perform certain roles many informed by hip hop culture Such performances are rhetorical they manage attitudes behaviors and predispositions influencing the distribution of power Competitive hot dog eaters bull riding and Mexican wrestlers are some of the other sports and games covered by the contributors The book is unique in bringing together the three themes of sports and games performance and the rhetoric of popular culture and is relevant for both scholarly use and classroom adoption in courses ranging from sport and society rhetoric composition persuasion and argument and popular culture
