

CALL FOR PAPERS

ACADEMIC YEAR 2022-2023

Last semester, *Historical Perspectives* was delighted to welcome so many fantastic postgraduate researchers who shared their fascinating work through talks and panels. Our thanks go out to all our contributors!

Our call for papers for the second semester **is now open** and we're welcoming contributions for both talks and panels. Talks should respond to our theme for the year or you could contribute to the following panels:

Reject Tradition, Embrace Modernity*

And now a reminder of our theme. We're not ignoring the mediaevalists and classicists of the world, don't worry. Nor do we mean the more traditional topics, methodologies, or sources are unwelcome; far from it.

But we know current research is varied, inventive, and fresh. Some might be re-addressing the well-trodden topics with new perspectives; others might be carving out new fields. We're all '**establishing our niche**' somehow, and we hope that these talks and panels will help dive into the whys and hows.

PANELS

1st March (provisional)

Let's deconstruct (just to build again): decolonising knowledge

10th May (provisional)

The part-time PhD experience in History

To contribute to a talk session or a panel, please send in an **abstract** (max 250 words) and a **short biography** (max 150 words) by **Friday 27th January at 5pm** to arts-historicalperspectives@glasgow.ac.uk.
