Assessing Second Language Reading Karim Sadeghi, 2021-08-25 This book investigates the issue of cloze validity as a measure of second language reading comprehension It starts off by making a distinction between general reading ability and the more specific reading comprehension followed by a thorough review of the related research on L2 reading comprehension and sorting out the

confusion in the literature in this categorization A comprehensive account of cloze procedure is presented discussing its origin different versions its use for teaching and testing purposes as well the latest research on cloze as measures of readability language proficiency and second language reading The book includes studies conducted at several stages on validating cloze as a measure of reading and interview and questionnaire techniques are applied to investigate the validity of eight cloze tests criterion reading tests and other cloze and reading tests in general Two new cloze tests i e reader centered cloze test and phrase cloze test are also introduced and researched as measures of reading ability The book concludes with suggestions for developing tests that can better measure reading comprehension in light of recent research insights on the complex and dynamic nature of reading This book will appeal to researchers lecturers and graduate and post graduate students taking a course in Second Language Acquisition Applied Linguistics TESOL Language Assessment and Educational Measurement

The Writings of Lyle F. Bachman James Enos Purpura, Antony John Kunnan, 2024-07-31 As one of the most recognized names in the fields of language assessment and applied linguistics Lyle F Bachman has produced a high volume of scholarly articles and books in the field of language assessment These writings have strongly influenced the discipline and over the last three decades have played an uncontested role in shaping the field as we know it today Until now Bachman s work has been spread across various mediums and not existed in one place The Writings of Lyle F Bachman is the first book to assemble Bachman s work into a single comprehensive volume The collection is composed of seven major sections each beginning with an introduction by the editors to provide context for the papers The sections cover some of the most complex topics in the field including validity and validation the effects of test task characteristics interfaces between language testing and second language acquisition and epistemological issues in applied linguistics The collection concludes with a state of the art paper and insightful reflections about the field of language assessment The collection traces how Bachman s ideas and research insights have evolved throughout the years Given Bachman s strong impact on the field of language assessment this volume presents not only a collection of the writings but also gives an overview of the ongoing issues and debates in the field This book will be useful to both researchers and graduate students in the areas of language assessment and applied linguistics

Examining Listening Ardeshir Geranpayeh, Lynda B. Taylor, 2013-03-27 This volume examines the nature of second language listening proficiency and how it can be assessed The book highlights the need for test developers to provide a clear explication of the ability constructs which underpin the tests they offer in the public domain This is increasingly necessary if claims about the validity of test score interpretation and use are to be supported both logically and with empirical evidence It operationalises a comprehensive test validation framework which adopts a socio cognitive perspective The framework embraces six core components examining and then analysing Cambridge ESOL listening tasks from the following perspectives Test Taker Cognitive Validity Context Validity Scoring Validity Criterion related Validity and Consequential Validity

Examining Writing Stuart D. Shaw, Cyril J. Weir, 2007-07-05 Test developers

need to provide a clear explication of the language ability constructs that underpin the tests they offer in the public domain such an explication is essential for supporting claims about the validity or usefulness of test scores This volume describes the theory and practice of Cambridge ESOL's approach to assessing second language writing ability A comprehensive test validation framework is used to examine the tasks in Cambridge ESOL writing tests from a number of different validity perspectives that reflect the socio cognitive nature of any assessment event The authors show how an understanding and analysis of the framework and its components can assist test developers to operationalise their tests more effectively especially in relation to the key criteria that differentiate one proficiency level from another The book provides an up to date review of relevant literature on assessing writing an accessible and systematic description of the different proficiency levels in second language writing a comprehensive and coherent basis for validating tests of writing This volume is a rich source of information on all aspects of examining writing ability As such it will be of considerable interest to examination boards who wish to validate their own writing tests in a systematic and coherent manner as well as to academic researchers and students in the field of language assessment more generally Book jacket
