Federal Register ,2013 *Handbook of Asian States* Markus Porsche-Ludwig, Ying-Yu Chen,2021 This handbook presents precise yet accessible up to date information about the geography history culture politics and economy of 49 Asian states ranging from Afghanistan Bangladesh and China to India Russia and Yemen The targeted readership consists primarily of scholars students teachers journalists and other mediators of political education as well as anyone interested in politics It is a basic work that contributes to comparative assessments of this hugely important and diverse region **Security and Everyday Life** Vida Bajc,Willem de Lint,2011-03-09 When everyday social situations and cultural phenomena come to be associated with a threat to security security becomes a value which competes with other values particularly the right to privacy and human rights In this comparison security appears as an obvious choice over the loss of some aspects of other values and is seen as a reasonable and worthwhile sacrifice because of what security promises to deliver When the value of security is elevated to the top of the collective priorities it becomes a meta frame a reference point in relation to which other aspects of social life are articulated and organized With the tendency to treat a variety of social issues as security threats and the public s growing acceptance of surveillance as an inevitable form of social control the security meta frame rises to the level of a dominant organizing principle in such a way that it shapes the parameters and the conditions of daily living This volume offers case studies from multiple countries that show how our private and public life is shaped by the security meta frame and surveillance It is essential reading for everyone who is interested in the changes to be faced in social life privacy and human freedoms during this age of security and surveillance **Handbook of Asian States: Part 1** LIT Verlag,2022-11-08 This handbook presents precise yet accessible up to date information about the geography history culture politics and economy of 49 Asian states ranging from Afghanistan Bangladesh and China to India Russia and Yemen The targeted readership consists primarily of scholars students teachers journalists and other mediators of political education as well as anyone interested in politics It is a basic work that contributes to comparative assessments of this hugely important and diverse region Markus Porsche Ludwig Political Scientist and Jurist is a Professor in the Department of Public Administration and in the Asia Pacific Regional Studies Ph D Program at the National Dong Hwa University Taiwan R O C Ying Yu Chen majored in International Business from her Ph D program is an Associate Professor in the Bachelor Program of Management Science and Finance at the National Dong Hwa University Taiwan R O C **World Guide to Television** ,1999 Television & Cable Factbook ,2001 **People's Republic of China Year-book** ,2008 *SRDS International Media Guide* ,2000 **Daily Report** ,1994 **TV World** ,1995 International business magazine for television **Screen Digest** ,2004 *Leaders* ,2005-07 Daily Report United States.
