Elections:

- Voting is a government responsibility, meaning that you do not have to, but it is strongly encouraged. If you don't fulfil the responsibilities of government, our government may not represent you and your interests as well.
- This year, the national election is on Nov. 5, 2024, and will include the following offices:
 - President: The president must be at least 35 years old, a natural-born citizen, and a resident of the US for at least the past 14 years. The President is elected by the Electoral College, and the Vice President is next in line. The vice president can also break ties in the Senate. The 22nd Amendment states that a person can only serve two terms of four years each as president.
 - Senator: You must be at least 30 years old, a resident of the state you are running for, and a citizen for at least 9 years. You can be a naturalized citizen and become a Senator. The direct election of Senators was granted with the 17th Amendment. The Senate's President Pro Tempore is fourth in line to the Presidency.
 - House of Representatives: You must be at least 25 years old, a resident of the district you are running for, and a citizen for at least 7 years. You can be a naturalized citizen and become a member of the House of Representatives. The Speaker of the House is third in line to the presidency.
- Running for public office is the responsibility of being a citizen, but it is not required by law. You have to be a US citizen to run for office and meet the requirements of that office.
- Two ways to be a citizen: natural born (born of blood) and naturalization.
 - The naturalization process includes being at least 18 years old, being of good moral character, taking a test on US history and government, and taking the Oath of Allegiance.
