Captions are words near a picture or photograph to help readers better understand it.	Comparisons help readers picture things in their head. Example: This shark is as big as a school bus.	Glossary Similar to a dictionary, a glossary helps readers define words from the book. *Hint: look towards the back of the book.
Graphics may include charts, graphs, or cutaways. They are used to help readers better understand what the author is saying. 	Illustrations & Photographs help readers see exactly what something or someone looks like.	Index is an alphabetical list of ideas that are in the book. It tells readers what page the idea is on. friction - p. 15
Labels help readers identify a picture or a photograph and its parts.	Maps help readers understand where something is in the world. 	Special Print When a word is bold , in <i>italics</i> , or <u>underlined</u> , it is an <u>important</u> word for readers to know.
 Text features help organize information in the book so readers know what's important!	Subtitles are special headings that help readers know what the next section of text will be about.	Table of Contents helps readers identify key topics in the book in the order they are presented. *Hint: look towards the front of the book.
