Hidden Journey:

Zen Entrepreneurship Rizwan Virk, 2013-05-10 Tales of Power meets the Peaceful Warrior in Silicon Valley It's entertaining, humble, insightful, and valuable not just to entrepreneurs but to anyone looking to manifest their dreams and make a difference in the world. Foster Gamble, Creator and Host of Thrive What on Earth Will It Take You will come away with insight about yourself, guidance, and knowledge that you may not be able to acquire anywhere else save the mountaintops of the Himalayas. Bookreview.com Read *Zen Entrepreneurship* the book that has inspired entrepreneurs and spiritual seekers worldwide. Based on a true story, this book is about succeeding in life while walking a spiritual path. Follow the travels of a young entrepreneur as he starts and grows a multi-million-dollar business only to discover that real success is tied to the hidden worlds and learn the secrets of being a Career Warrior. This book is not just for entrepreneurs but for anyone who wants to find their work and place in life, who want to bring more integrity into their work and be more successful personally and financially. Riz Virk brings the wisdom of ancient Eastern traditions into a purely Western setting. The result is an often hilarious but always insightful book that will change how you view career success and help you discover and walk your own unique path. Marc Allen, author of *Visionary Business*, CEO and co-founder of New World Library *Zen Entrepreneurship* will teach you the 14 hidden keys for success, including how to use your work for spiritual growth, how to achieve success using the Four Keys to Manifestation, how to discover and transcend your Energetic Pattern rather than letting it run you, how to bring the magic and mystery of a treasure hunt into your career, how to find the 7 Clues that are pointing you to the person you were meant to be, how to utilize your dreams and synchronicity to serve as your guide, how to find and utilize Places of Power and Times of Power to be more successful, how to manifest appropriately to propel you to financial and business success, how to find and walk your own Warrior's Path, the unique combination of lessons and contributions you are here for. *Zen Entrepreneurship* changed my life; it confirmed for me that clues exist in the world around us and are powerful. I shared this book with every one of my clients from that point forward. Powerful! A must-read; it reinforces that there is a bigger guide within us if we choose to listen. Lorin Beller, author of *From Entrepreneur to Big Fish: 7 Principles of Wild Success* *The Desert Encampments* Alexander Hool, 2021-06-27 What happened to the Jewish people in the forty years of wanderings between the giving of the Torah and their entry into the Holy Land? Where did they go, and what was the purpose of these destinations? The Torah goes into very great detail about the travels and events that took place during these years, but the time, place, and specifics of many of the events have remained hidden between the profound words of the verses, leaving us with a blurred picture and understanding of this crucial period in Biblical and Jewish history. In yet another fascinating and eye-opening study, bestselling author Rabbi Alexander Hool, fortified with detailed mapping and satellite imagery, combines a meticulous study of the text with a plethora of detail gleaned from diverse Rabbinic sources in a fresh and exciting attempt to unlock the subtle and cryptic Scripture and fathom the events, the journeys, and the significance of the desert encampments.
