The Christian Leader Bill Hull, 2016-05-31 What if everything you've heard about leadership is wrong Secular models of leadership rooted in pragmatic success dominate Christian leadership in the West It makes our work impersonal and exploitive And at worst it serves the leader rather than those the leader leads We need a different style of leadership one patterned after Jesus We need to learn to influence others out of our character for that is what Jesus did The Christian Leader is not about improving your church your work or your family it is about changing how you lead It does more than teach you how to modify your behavior it shows you how to change the sources of your behavior your motives and reasons for being a Christian leader In the end as everything you know and believe about Christian leadership is transformed it will lead to transformation in those you lead and serve **Christian Ministries And Basic Leadership Course Book** Dipo Toby Alakija, As it is common to say that the hood does not make a monk the dignified positions and bogus titles of many Christian leaders in modern days do not really make them Gospel Ministers This course book a compilation of five resource materials on Missions And Outreach Ministries Christian Communication Arts Christian Leadership Christian Education Methodology and Ministries Of Improvisations aims at making every matured Christian an effective minister and leader at their respective homes in communities and nations It teaches various ways Christians can meet up to their responsibilities and commitments as ministers and leaders that reconcile people to God and edify the Body Of Christ reaching out to souls at the same time All of the resource materials are in use in Bible Schools like College Of Christian Education And Missions Churches and other ministries to raise Christian workers Evangelists Missionaries and other Ministers that serve at various levels and leadership capacities *Integrity3 the Importance of Integrity in Christian Leadership* Rev. Dr. Jasmin O. Brown Dmin DSL, 2017-01-31 Integrity has been an essential component of leadership throughout the ages The Church is facing an integrity crisis consistently struggling with a plethora of ethical woes among several gifted leaders Not only is the Church's conduct in question its very character and competence are being placed under intense scrutiny This book explores three dimensions of

integrity It proposes that the overall process of leadership development pivots on three dimensions of integrity personal integrity the character of the leader vocational integrity the competence of the leader and organizational integrity the commitment and contribution of the leader This book also proposes that while being gifted is an asset to leadership giftedness is never enough for successful leadership It is the combination of giftedness integrity³ that will facilitate effective leadership

Successful Christianity And Basic Ministries Dipo Toby Alakija,2016-04-12 The first question is how Christianity is practiced even in a hostile environment Next to that is the question about the potentials of Christians in spite of their apparent limitations The other issues are connected to the successes deliverance callings basic ministries of all Christians and evangelism Various schools of thoughts have attempted these questions but many answers only portray Christianity as a form of religion instead of a way of life as specified by God Some answers give room for compromise hypocrisies dogmas and denominational doctrines The misconceptions about these areas of Christianity have brought about worldliness instead of righteousness and false achievements instead of fulfillment This book which contains six different subjects had been used to hold seminars at various levels train ministers and Christian workers in Bible Schools and to equip the Church It explains in simple terms the seemingly complex issues on practice of Christianity Potentials Deliverance God's Kind Of Success Evangelism and Basic Ministries of a Christian with Biblical principles life transforming stories and illustrations
