

# Biblical Literature Exam 1 Study Guide 2025/2026 – Old Testament Foundations and Key Themes

- 1. What are the different approaches to studying the Bible?**
  - We could take a thematic approach by following key themes throughout the old testament and new...like that of love or prophecy.
  - We could look at major sections, such as the Pentateuch or the Gospels.
  - There is the historical approach, following the sequence of historical events portrayed in the Bible, looking at the various books within that context.
- 2. What are the methods and issues in Biblical interpretation?**
  - The Traditional view: bible is historical and we must include all the evidence (biggest problem is lack of evidence, not conflicting evidence)
  - Modern View: The Bible is not historical until proven by evidence...they believe that miracles really can't happen...
- 3. The traditional view of God, in contrast to the modern view...**
  - The Traditional view of God believes He can intervene in space-time history on occasion, and other lesser spiritual beings can intervene as well. Miracles are to be viewed critically (scientists can't prove if they're real or not)
  - The modern view of God believes limited/restricted and that miracles are impossible. God cannot intervene with space-time history.
- 4. Hermeneutics**
  - number of ways to interpret the bible
- 5. Who Julius Wellhausen was and what he is known for?**
  - He's known for the JEDP theory or the Documentary Hypothesis
- 6. What does J, E, D, and P stand for?**
  - This is a graphic representation of a modern assumption of how the OT developed, in contrast to the traditional view.
  - J: Jahwe= Yahweh E: Elohim (Hebrew word for God) D: Deuteronomy (viewed as a separate work added at the end) P: written by priests to justify their existence
- 7. what type of criticism is JEDP classified as?**
  - "Source criticism" (critically examining the text to find its literal origins)
