

EOCT Biology Review Packet 2010-2011

Enjoy your break, but do not forget you will be taking the Biology End of Course Test (EOCT) 3 weeks after you get back to school. The EOCT is worth 15% of your final grade for the course, and is a requirement for graduation. To ensure that you are ready to achieve at least 80% mastery on the core concepts, I am expecting you to complete this review packet over Spring Break.

This packet is due back when you return to school on Monday, April 11th. This review packet will be considered **ONE LAB GRADE**. It is worth a total of 100 points.

To receive full credit, you must complete the entire packet, including the justification boxes.

All the information necessary to answer the questions can be found in your biology text and/or guided notes. You can also email me at turgerson@falconschools.org if you have any questions. There are no excuses for not finishing the review packet.

Have a wonderful break,
Mr. Turgerson
