understood without some knowledge of Dickens's novel. Reading experiences also play an important role when it comes to motivation. Other classic novels by Dickens like *Oliver Twist*, *Great Expectations*, or *David Copperfield* or their film adaptations may serve as a motivation for reading *A Christmas Carol* or vice versa. Finally, apart from conveying a moral message, Dickens's story also portrays the Victorian age of Britain and its nuisances as vivid as only a few other novels which stays in mind far better than only hearing a report.
