A Collection Of Stories On Human Experiences:

A Collection of Stories on Human Experiences Paul G. Armstrong, 2014-10-26 Author has experienced many fields of studies during his life time from roofing Army National Guard to US Peace Corps After that he spent twenty years growing old tripping and watching his mind melt into oblivion but memories were never destroyed and so these memories were turned into fictional material with a lot of insinuations about yesterday s and today s leaders I apologize if you come across any grammar punctuation or ambiguous meanings But some of my good hearted friends liked the way it is written I don t know if that is good or bad

Human Experience and the Triune God Bernhard Nausner, 2008 The overarching aim of this work is to develop a new account of the doctrine of the Trinity The author proposes that such an approach is overdue because contemporary trinitarian theology pays insufficient attention to the fact that theology as linguistic discourse is inescapably embedded in human experience Hence the critical analysis of existing trinitarian constructions Gunton LaCugna Moltmann is impressively sharp In response Nausner develops an interstitial methodology working between experience and revelation refusing both revelational and experiential positivisms In dialogue with contemporary novels the human sciences Frankl Weizs cker philosophy Levinas and biblical narratives he offers an imaginative original and contemporary way of conceiving the doctrine of the Trinity in relation to human life

Teaching as a Human Experience Patrick Blessinger, Karen J. Head, 2015-09-18 The poems in this collection deal with the real life worlds of professors instructors lecturers teachers and others working in education This volume covers contemporary teaching experiences in education including the many roles that teachers play such as instructing lecturing mentoring facilitating coaching guiding and leading This volume covers the manifold life experiences and perspectives of being and working as a teacher in education and the epiphanies experienced in that role This volume gives creative voice to the full range of experiences by teachers students and others and empowers readers with inspiration and personal agency as they evolve as self creating self determining authors of their own lives both personally and professionally The poems in this volume are largely based on teachers meaningful experiences in and out of the classroom and will provide artistic inspiration and creative insight to others who currently work as teachers or those students who are preparing to be professors instructors and teachers or those students who simply enjoy the creative voice of others
