Across the ranchlands and cities of his home state, Rory Yates's discipline and law enforcement skills have carried him far from local highway patrolman to the honorable rank of Texas Ranger. He arrives in his hometown to find a horrifying crime scene and a scathing accusation: he is named a suspect in the murder of his ex-wife, Anne, a devoted teacher whose only controversial act was ending her marriage to a Ranger. In search of the killer, Yates plunges into the inferno of the most twisted and violent minds he's ever encountered, vowing to never surrender. That code just might bring him out alive. The First Lady James Patterson, 2019-03-12. One secret could bring down the government when the President's memorable affair becomes a nightmare he longs to forget. In this page-turner from the world's #1 bestselling author, Sally Grissom is a top Secret Service agent in charge of the Presidential Protection team. She knows that something is amiss when she's summoned to a private meeting with the President and his Chief of Staff without any witnesses. But she couldn't have predicted that she'd be forced to take on an investigation surrounding the mysterious disappearance of the First Lady, with strict orders to keep it a secret. The First Lady's absence comes in the wake of the scandalous public revelation of the President's affair, so at first it seems as though she is simply cutting off all contact as she recuperates at a horse farm in Virginia. What begins as an innocent respite quickly turns into a twisted case when the White House receives a ransom note along with the First Lady's finger.
