BY OTHERS *A Charming Fellow Volume Iii In Three Volumes Vol Iii* This book is a result of an effort made by us towards  
making a contribution to the preservation and repair of original classic literature In an attempt to preserve improve and  
recreate the original content we have worked towards 1 Type setting Reformatting The complete work has been re designed  
via professional layout formatting and type setting tools to re create the same edition with rich typography graphics high  
quality images and table elements giving our readers the feel of holding a fresh and newly reprinted and or revised edition as  
opposed to other scanned printed Optical Character Recognition OCR reproductions 2 Correction of imperfections As the  
work was re created from the scratch therefore it was vetted to rectify certain conventional norms with regard to  
typographical mistakes hyphenations punctuations blurred images missing content pages and or other related subject  
matters upon our consideration Every attempt was made to rectify the imperfections related to omitted constructs in the  
original edition via other references However a few of such imperfections which could not be rectified due to intentional  
unintentional omission of content in the original edition were inherited and preserved from the original work to maintain the  
authenticity and construct relevant to the work We believe that this work holds historical cultural and or intellectual  
importance in the literary works community therefore despite the oddities we accounted the work for print as a part of our  
continuing effort towards preservation of literary work and our contribution towards the development of the society as a
