CFCM Contract Management Exam Study Guide and Practice Questions 2012 ExamREVIEW,2012-02-09 In the new CFCM exam syllabus General Business Knowledge is no longer tested HOWEVER taking into account the fact that knowledge on the general business environment would help a lot in your exam study effort even though the GB module is no longer required GB related materials are retained in this study guide For CFCM FAR is definitely the focus Still knowledge on commercial acquisition and contract is essential as it forms the foundation of modern contract management You should therefore go through the sections on business procurement and commercial contracting in addition to studying FAR As of the time of this writing the CFCM exam has 150 questions The 110 question format is no longer in use In this study product we have both contracting specific and business knowledge sections We label those business knowledge sections as Foundation

Knowledge sections These sections have information that is not on the technical aspect of contracting but is still relevant for day to day contract admin works For the Federal contract exam contents keep in mind that special emphasis has always been placed on FAR Parts 12 and 15 Part 4 primarily deals with the policies and procedures relating to the administrative aspects of contract administration such as execution contractor submitted paper documents distribution reporting retention and files The Sept 2012 FAR revisions have been included in this edition

Cfcm Contract Management Exam Study Notes & Practice Questions 2018/19 Examreview,2018-02-03 For CFCM FAR is definitely the focus Still knowledge on commercial acquisition and contract is essential as it forms the foundation of modern contract management You should therefore go through the sections on business procurement and commercial contracting in addition to studying FAR In this study product we have both contracting specific and FAR knowledge sections You want to know that the CFCM exam has been updated to cover FAR changes of FACs 05 46 through 05 57 A special section is accordingly made available in this book to provide information on the more important changes that are deem relevant for the exam GB knowledge topics are no longer covered in this book Practice Questions and Answers are available at the end of the book If you purchase this book you do not need to purchase our CFCM Self Practice Questions module separately

[CPSM Exams Self-Practice Review Questions for Certified Professional in Supply Management ExamREVIEW,2018-04-21](#) According to the ISM CPSM is the credential that surpasses the demands of the international marketplace with multi faceted skills in areas such as finance supplier relationship management organizational global strategy and risk compliance The CPSM qualification enables professionals to gain a clear understanding of their organization s supply operation and enable managers to take an active role in critical decisions It is slightly different from APICS s CSCP in that it is targeting those who wish to have a broad understanding of all components of the profession It focuses primarily on strategic supply management less on fundamental or tactical level knowledge CSCP places heavier focus on integrated supply chain while CPSM does not The certification track requires 3 exam modules with topics that are inter related We suggest that you go through ALL TOPICS AND MODULES before taking any of the individual exam parts Do NOT study on a per module basis Instead treat all of them as a whole this will guarantee that you don t get tripped up when closely related questions show up on different exam parts This is why we do not break down the practice questions into modules we force you to assess your readiness to everything covered in the entire certification track We create these self practice test questions referencing the concepts and principles currently valid in all these exams Each question comes with an answer and a short explanation which aids you in seeking further study information For purpose of exam readiness drilling this product includes questions that have varying numbers of choices Some have 2 while some have 5 or 6 We want to make sure these questions are tough enough to really test your readiness and draw your focus to the weak areas Think of these as challenges presented to you so to assess your comprehension of the subject matters The goal is to reinforce learning to validate successful transference of knowledge and to identify areas of weakness that require remediation The
