Rules of the Game Mark R. Amstutz, 2015-12-03 Anyone interested in the forces behind globalization terrorism job outsourcing or the price of gas needs at least a fundamental understanding of international relations Using the relevant and accessible metaphor of a game The Rules of the Game provides an introductory explanation of international relations The book is broken into three inviting parts First it examines the basics of the international relations game by explaining the nature of the game its players its goals and its strategies Then the book looks at the rules of the game from the perspectives of politics economics law and morality The book ends with a pertinent discussion of the future of the international relations game in the context of globalization Intended for general readers this book provides a succinct jargon free framework for understanding contemporary international relations

The Law on the Use of Force Gina Heathcote, 2013-03 This book analyses international laws on the use of force from a feminist perspective The book highlights key conceptual barriers to the enhanced application of the law of the use of force and demonstrates the capacity of feminist legal theories to enlarge our understanding of international legal dilemmas

Routledge Handbook of International Political Sociology Xavier Guillaume, Pinar Bilgin, 2016-12 11 Citizenship and an international political sociology 12 Advancing development through an IPS approach 13 The global environment 14 Finance 15 Feminist international political sociology international political sociology feminism 16 Global elites 17 Global governance 18 Health medicine and the bio sciences 19 Mobilization 20 Mobility 21 Straddling national and international politics revisiting the secular assumptions 22 Reflexive sociology and international political economy 23 Security studies

Korea-China Relations in History and Contemporary Implications Robert Kong Chan, 2017-08-28 This book examines the complex relations between Joseon Korea 1392 1910 and Ming Qing China in history and reveals their contemporary implications for the nature of a China dominated order in East Asia and the relations between China and the middle powers in the region Instead of relying on the works that offer over generalized conclusions based on information drawn from secondary sources this book provides a much more nuanced account of the Koreans experience of managing their relations with the great powers by analyzing the first hand evidence documented by the Joseon historiographers related to the major events in Joseon Ming relations Joseon's response to power transition from Ming to Qing and Joseon Qing relations In East Asia today where the middle powers are facing the rise of China and a trilateral dilemma as a result of the Sino US rivalry in the region what history can tell us is of significant value to scholars policy advisers and policymakers

U.S. Army War College Guide to National Security Issues: National security policy and strategy J. Boone Bartholomees, 2008 The U S Army War College Guide USAWC to National Security Issues is the latest edition of the U S Army War College Guide to National Security Policy and Strategy which the college has published sporadically under different titles since 2001 This edition of the Guide is in two volumes that correspond roughly to the two core courses that the Department of National Security and Strategy DNSS teaches Theory of War and Strategy and National Security Policy and Strategy Page vii

International Relations in Perspective Steve Chan, 1984 **International Development** Paul Battersby, Ravi Roy, 2017-04-24 How can we lay the foundation for a more just and peaceful world How can we prevent communications from fracturing and societies from tearing themselves apart How should we prioritise economic social and cultural demands for resources and opportunities This book answers these questions and presents a view of development in practice Written by experts in the field the book covers a range of contemporary developments as well as providing coverage of the theory and practice of international development The book Covers a range of contemporary topics such as global security new technologies ethics and learning and participation Has chapters on Global Health and Development in Practice Environmentally Sustainable Development in Practice and Corruption and Development Features learning objectives summaries reading lists and questions for discussion Works as a practice driven text packed with case studies Global in perspective and full of everything you need to know this is your go to book for your studies in International Development

International Relations and World Politics Paul R. Viotti, Mark V. Kauppi, 2009 International Relations and World Politics introduces the issues in an organized and comprehensible way examining them in relation to two trends three broad organizing themes or concepts key actors and three basic images or perspectives that provide structure for the pages that follow Two trends increasing globalization and crises of authority that characterize international relations and world politics Key organizing themes or concepts in particular security economy and identity that structure the three major sections of the book Key actors states international organizations and transnational organizations and movements such as nongovernmental organizations multinational corporations and terrorist groups Three basic images or perspectives on world politics realism liberalism or pluralism as it is frequently called and global economic structuralism which includes Marxism world systems and dependency theory supplemented by references to other theoretical and conceptual understandings mentioned below Paul R Viotti and Mark V Kauppi wrote this book because they believe it is possible and essential to improve a student s conceptual and theoretical thinking about international relations If one does not think conceptually a course in world politics threatens to become little more than current events Hence they structured the book in such a way that key concepts themes and trends are utilized throughout the discussion of various topics
