Today's HR for a Sustainable Tomorrow R.K. Mishra, Shulagna Sarkar, Punam Singh, 2012-03-20 We are now going through a sustainability revolution that will rival the agricultural and industrial revolutions in the way it will transform society. Innovation and creativity will be needed to develop radical new products that are less damaging to the environment and generate new business and jobs. The book is of interest to all business and management students, academicians, researchers, practitioners, consultants, corporate managers, governments, non-governmental organizations, and international organizations with special interest in issues relating to HRM for sustainability. The book is centered on the theme of HRM and sustainability. The authors have pulled different strings of HRM enabling sustainability from the designing and assembling the HR functions for sustainability to creating sustainable culture to best practices in HRM for sustainability. The authors have shared various perspectives in terms of the role of HRM for sustainability from culture building to employer branding to employee engagement. The authors have also reflected upon the role of HRM in managing future workforce and creating conducive and sustainable employee relations.

*Tales of Sales: 15 Simple Solutions for 15 Complicated Situations* | Priyaranjan Kumar, 2025-08-08 How did a heat sensitive product like Snickers find a market in India's harsh summers? How did Pantaloon turn festival frenzy into customer loyalty? What helped Nivea crack the code to win the South Indian market? Sales isn't just about products; it's about people, instincts, and timing. *Tales of Sales* brings you real stories, fun, relatable, and filled with insight. Whether it is street smartness, pre-empting the customer's mood, or an impactful corporate pitch, each tale reveals what makes people say yes. It's not a textbook; it's a toolkit. Perfect for freshers, young professionals, or anyone who deals with their customers directly. If you work with people, this book will work for you. You'll learn how to adapt in real time. Why good salespeople need to be good listeners first. Emotional intelligence matters more than a perfect pitch. To handle rejection with grace and resilience. Building lasting relationships, not just transactions.

E-Business Princely Ifinedo, 2012-02-10 *E-Business Applications and Global Acceptance* is a collection of well-written papers that employ empirical and theoretical conceptual approaches to highlight insights on the global acceptance of electronic business, e-business, and other useful applications and conceptualizations in the area. As our knowledge of the e-business phenomenon continues to mature and evolve, it is pertinent that new insights and information be made available. This edited book is published against such a backdrop. In essence, this book seeks to provide value to both e-business researchers and practitioners with information sourced from differing regions of the world. The diversity in the sources of insights is welcome, and this edited book covers a wide range of interesting, topical, and timely issues dealing with the acceptance of e-business applications or systems, business processes, integration and management, the extension of e-business concepts to not-for-profit organizations, and the construction of a service innovation model. Without a doubt, this book will be a comprehensive reference point for knowledge seekers who want to understand emerging conceptualizations, processes, and behaviors in the
