

Germany Since 1918

David Childs

Germany Since 1918:

Germany Since 1918 David Childs, 1971 **A History of Germany 1918 - 2008** Mary Fulbrook, 2011-08-10 The third edition of *A History of Germany* traces the dramatic social cultural and political tensions in Germany since 1918 Offers a persuasive interpretation of the dynamics of twentieth century German history Treats German history from 1918 2008 from the perspective of division and reunification covering East and West German history in equal depth Covers the self destructive Weimar Republic the extremes of genocide and military aggression in the Nazi era the division of the nation in the Cold War and the collapse of communist East Germany and unification in 1990 New edition includes updates throughout especially covering the Nazi period and the Holocaust a new chapter on Germany since the 1990s and a substantially revised and updated bibliography **History of Germany 1918 - 2000** Mary Fulbrook, 2002-04-08 This accessible study traces the dramatic social cultural and political tensions in Germany since 1918 For the second edition revisions have been made to incorporate the results of recent research an epilogue covering the years 1990 2000 has been added and the suggestions for further reading and the bibliography have been updated An accessible study of the dramatic social cultural and political tensions in Germany since 1918 Treats German history from 1918 2000 from the perspective of division and reunification covering East and West German history in equal depth Covers the self destructive Weimar Republic the extremes of genocide and military aggression in the Nazi era the division of the nation in the Cold War and the collapse of communist East Germany and unification in 1990 Offers a persuasive interpretation of the dynamics of twentieth century German history as a whole New edition includes an updated bibliography and an epilogue covering the years 1990 2000 *A History of Germany 1918 - 2014* Mary Fulbrook, 2014-12-31 The fourth edition of *A History of Germany 1918 2014 A Divided Nation* introduces students to the key themes of 20th century German history tracing the dramatic social cultural and political tensions in Germany since 1918 Now thoroughly updated the text includes new coverage of the Euro crisis and a review of Angela Merkel s Chancellorship New edition of a well known classic survey by a leading scholar in the field thoroughly updated for a new generation of readers Provides an overview of the turbulent history of Germany from the end of the First World War through the Third Reich and beyond examining the character and consequences of war and genocide Treats German history from 1918 to 2014 from the perspectives of instability division and reunification covering East and West German history in equal depth Offers important reflections on Angela Merkel s Chancellorship as it extends into a new term Concise substantive coverage of this period make it an ideal resource for undergraduate students *Germany, 1919-39* John Kerr, 2003 Designed to cover the most up to date Standard Grade requirements these books should provide everything you need to prepare your students for their exams There are exam style questions and full colour presentation throughout *Germany in the Twentieth Century (RLE: German Politics)* David Childs, 2014-12-17 The book traces the development of Germany from the Kaiser s Reich in the 1870s to the reunited democratic state led by Helmut Kohl in the 1990s The author

begins by countering the popular view of Germany before 1914 as irredeemably reactionary and after assessing Germany's part in the First World War he outlines the rise and fall of the Weimar Republic. The 12 years of Hitler's destructive experiment are presented in a balanced way as part of the overall development of the country. Germany in defeat is then discussed as is her rebirth under Four Power occupation. The last chapters explore the two separate German states and the events leading up to the restoration of German unity.

The Ailing Empire: Germany from Bismarck to Hitler Sebastian Haffner, 2019-08-16

Using his skills as a journalist, historian, and memoirist, Sebastian Haffner, author of *The Meaning of Hitler*, traces the development of the German Empire, 1871-1945, and the central role of warfare that characterized the Reich. Haffner contends that Germany's unfavorable geographic position had much to do with the state's belligerence and that from its inception created the conflicts that culminated in two world wars. The fruit of decades of study, the moving and sometimes very personal testament of an author whose works more than any others have influenced public opinion and challenged academic historians, *Die Zeit* calls it a brilliant work from the top hat of a powerful historical magician. *Rudolf Augstein*, *Der Spiegel* calls it a thoroughly successful work. *Wiener Tagblatt* says it has more historical insights than a whole pile of learned volumes. *Münchener Abendzeitung* says the history of the Third Reich in just 43 pages is impossible to do more than discuss a few features superficially. But not with Sebastian Haffner. This brilliant thinker, a journalist turned historian, reveals the fundamental lines of development in a way that anyone can follow. The pages bristle with questions and unexpected answers. The 300 pages of *The Ailing Empire* contain more clever and original insights into German history between 1871 and 1945 than many a weighty tome. *Dieter Wunderlich* says this illuminating survey by a German journalist focuses on the continuities and discontinuities of the modern German Reich. Haffner argues that the founding of the state was never regarded as a climactic achievement but rather as a springboard for expansion and that Germany's unfavorable geographic position had much to do with the state's armed belligerence. The author also contends that the Reich was self-destructive almost from the beginning, creating a host of enemies who brought it to its knees in two world wars and eventually divided it. He describes how Hitler accelerated the catastrophic finish of the Reich by inopportunistically taking on both the Russians and Americans, then tried to turn military defeat into the annihilation of the German people with his Nero Directive of March 18, 1945.

Publishers Weekly says *The Ailing Empire* tells the story of yesterday's Germans who made today. It is a story Americans must understand. *San Diego Union* says Sebastian Haffner has written a book that traces the path of Germany's political self-destruction and offers a realistic account of the war's real causes. It is a highly readable analysis of the road from Bismarck to Hitler. This book, based on many previously unpublished accounts, is a devastating portrait of human society. *Chattanooga Times* says this is a highly readable analysis of German history over the last century. A long-time journalist, Haffner asserts that the foundations of the German Reich were an inadequate basis for a modern nation-state and contained the seeds of its own destruction. Though lacking documentation, Haffner's first-hand recollections of the Nazi era are most interesting. Particularly noteworthy are his

observations on daily life during the regime and his judgment regarding those literary and artistic artists who chose internal emigration within the Hitler state Library Journal *The New Germany* Ernest Jackh, 1928 History of Germany 1918 - 2000 Mary Fulbrook, 2002-04-08 This accessible study traces the dramatic social cultural and political tensions in Germany since 1918 For the second edition revisions have been made to incorporate the results of recent research an epilogue covering the years 1990 2000 has been added and the suggestions for further reading and the bibliography have been updated An accessible study of the dramatic social cultural and political tensions in Germany since 1918 Treats German history from 1918 2000 from the perspective of division and reunification covering East and West German history in equal depth Covers the self destructive Weimar Republic the extremes of genocide and military aggression in the Nazi era the division of the nation in the Cold War and the collapse of communist East Germany and unification in 1990 Offers a persuasive interpretation of the dynamics of twentieth century German history as a whole New edition includes an updated bibliography and an epilogue covering the years 1990 2000 Germany's Defeat in the First World War Mark D. Karau, 2015-05-12 A noted World War I scholar examines the critical decisions and events that led to Germany's defeat arguing that the German loss was caused by collapse at home as well as on the front Much has been written about the causes for the outbreak of World War I and the ways in which the war was fought but few historians have tackled the reasons why the Germans who appeared on the surface to be winning for most of the war ultimately lost This book in contrast presents an in depth examination of the complex interplay of factors social cultural military economic and diplomatic that led to Germany's defeat The highly readable work begins with an examination of the strengths and weaknesses of the two coalitions and points out how the balance of forces was clearly on the side of the Entente in a long and drawn out war The work then probes the German plan to win the war quickly and the resulting campaigns of August and September 1914 that culminated in the devastating defeat in the First Battle of the Marne Subsequent chapters discuss the critical factors and decisions that led to Germany's loss including the British naval blockade the role of economic factors in maintaining a consensus for war and the social impact of material deprivation *The Americas*, 1920 *Britain's Economic Blockade of Germany, 1914-1919* Eric W. Osborne, 2004-06-24 This text studies Great Britain's economic blockade of Germany in World War I one of the key elements to the victory of the Entente *An Outline of Recent European History, 1815-1921* Clarence Perkins, 1921

Summary of Tariff Information, 1921, Relative to the Bill H. R. 7456, 1922 *Books of 1912-*, 1922

International Relations 1914-1995 Tony Rea, John Wright, 1997 This book provides the core content required by many of the new GCSE syllabuses Strongly narrative in approach there are also many visual and written sources to aid students understanding of the topics covered Key Stage 4 **Summary of Information, 1921, Relative to the Bill H. R. 7456** United States Tariff Commission, 1922 Board of Trade Journal and Commercial Gazette, 1920 **Monthly Crop Report and Agricultural Statistics** International Institute of Agriculture. Bureau of Statistics, 1919 **South African Mining &**

Engineering Journal ,1920
