Colonel Brandons Diary:

Colonel Brandon's Diary Amanda Grange, 2009-07 Returning to England from the army Colonel James Brandon learns that the woman he once loved is dying and raises her illegitimate child as his own a situation that is complicated years later by the child's disappearance and his growing feelings for a Willoughby smitten Marianne Dashwood Original **Le Journal du Colonel Brandon** Amanda Grange, Claire Allouch, Anne-Claire Payet, 2013-02-15 Je ne parvenais pas à tacher mes yeux de son visage L'émotion qu'on y lisait tait tour tour ombre et lumière tristesse et regret alors la pièce disparut je ne vis plus que Marianne jusqu'à la fin de la chanson James Brandon nous livre son désespoir la femme qu'il aime Eliza est contrainte de pousser son frère Il s'engage alors dans l'armée et s'exile aux Indes pendant de longues années De retour en Angleterre il recueille la fille d'Eliza devenue orpheline et tombe sous le charme de l'impétueuse Miss Marianne Dashwood Mais cette dernière lui préfère le beau Willoughby qui a dû par le passé causer du tort au colonel Brandon *Dear Mr. Darcy* Amanda Grange, 2012-08-07 In this imaginative retelling of *Pride and Prejudice* Amanda Grange now tells the classic story through the eyes of its compelling romantic hero Fitzwilliam Darcy in a series of revealing letters that casts a sparkling new reflection on the manners and morals of the landed gentry in 19th century England Here for the first time are the letters written by the exceedingly proud and stubborn Mr Darcy covering the life changing events that defined him from the death of his father to his control of his Derbyshire estate of Pemberley to his conflicted courtship with the lively intelligent and delightfully willful Elizabeth Bennet Try as he may he cannot deny his attraction to this woman with fine eyes a playful spirit a mind of her own and an embarrassing family that is frankly and utterly beneath him But it is Elizabeth who controls both their destinies and whose surprises will change Darcy's life yet again **Romantic Capabilities** Mike Goode, 2020-10-02 *Romantic Capabilities* discusses the relationship between popular new media uses of literary texts Devising and modelling an original critical methodology that bridges historicist literary criticism and reception studies with media studies and formalism this volume contends that how a literary text behaves when it encounters new media reveals medial capabilities of the text that can transform how we understand its significance for the original historical context for which it was created Following an introductory theoretical chapter that explains the book's unconventional approach to the archive *Romantic Capabilities* analyzes significant popular media behaviors exhibited by three major Romantic British literary corpuses the viral circulation of William Blake's pictures and proverbs across contemporary media the gravitation of Victorian panorama painters and 3D photographers to Walter Scott's historical fictions and the ongoing popular practice of writing fanfiction set in the worlds of Jane Austen's novels and their imaginary country estates The result is a book that reveals Blake to be an important early theorist of viral media and the law Scott's novels to be studies in vision that helped give rise to modern immersive media and Austenian realism to be a mode of ecological design whose project fanfiction grasps and extends It offers insight into the politics of virality the dependence of immersion on a sense of frame and the extent to which eighteenth century landscape
