Colonel Thorndyke's Secret G. A. Henty,2020-08-11 G A Henty is a commendable writer of historical fiction but his various works can at times suffer from sameness due to the format that he uses But in Colonel Thorndyke s Secret Mr Henty throws out the rulebook and writes a story widely different from those you re used to The story is set in the late 1700s to early 1800s England or in other words pre industrialization It follows the life of several diverse characters such as a squire and also a highwayman Unlike most of G A Henty s novels this one tells both sides of the story between the protagonist and antagonist Watch out This story comes with several plot twists Some parts are easy to get bogged down in but it s well worth finishing I recommend that you do NOT read the foreword as it s somewhat of a spoiler
