

GUIDANCE FOR DEVELOPING A PAROLE PACKET

The purpose of a parole packet is to put forward a candidate's best case for parole. It is a document that will give the Parole Commission an understanding of the following:

- The writer's own perspective on the journey which brought him or her to prison.
- The ways in which the writer has developed as a person while in prison.
- The writer's plans for the future, both immediately if released on parole, and more long-term.

A copy of the parole packet should be sent to the Parole Commission at least a week or two before their hearing. (The address is: 476 Beltspring Road, No. 807, Baltimore, MD 21211. The phone number is 410-381-8100.) The candidate should also have their own copy of the packet to bring to the hearing.

PREPARE is a nonprofit with a mission of empowering people to make their best case for parole. We pursue this mission by providing information about, materials for, and support with parole hearing preparation in Maryland. We began our program in the Maryland Correctional Institution for Women where we provide direct in-person support with parole hearing preparation.

The guidance you are reading right now is intended for those who are not receiving direct advocacy support. The intent is for them to be able to put together a parole packet on their own. This guidance follows a very similar structure to that which we use when working with clients directly.

The Department of Corrections, Preparing Inmate and Their Families for the process under supervision number 2019-00000000, all parts of this is the material in this or by which and it is not necessarily required the effect of either of any other or that is not.
